CAPTAIN SHREVE, A SCHOOL OF DISTINCTION, WAS THE BEST IN THE LAND! THERE WAS NO OTHER HIGH SCHOOL THAT EXCELLED IN SO MANY PRESTIGIOUS AREAS. CAPTAIN SHREVE WAS PART OF OUR LIVES. WHETHER IT WAS THE TEACHERS, THE STUDENTS, OR THE ALUMNI, GATORLAND PREVAILED. THE LEARNING AND INSTRUCTIONS, THE SPIRIT, THE CROWDS, AND THE 20TH ANNIVERSARY; ALL THESE THINGS MADE BEING A GATOR SOMETHING SPECIAL. EACH PERSON LEAVES A PART OF THEMSELVES AT SHREVE, AND EACH PERSON TAKES A PART OF SHREVE WITH THEM. THERE WAS NOTHING LIKE BEING A GATOR. ONCE A GATOR, ALWAYS A GATOR!!

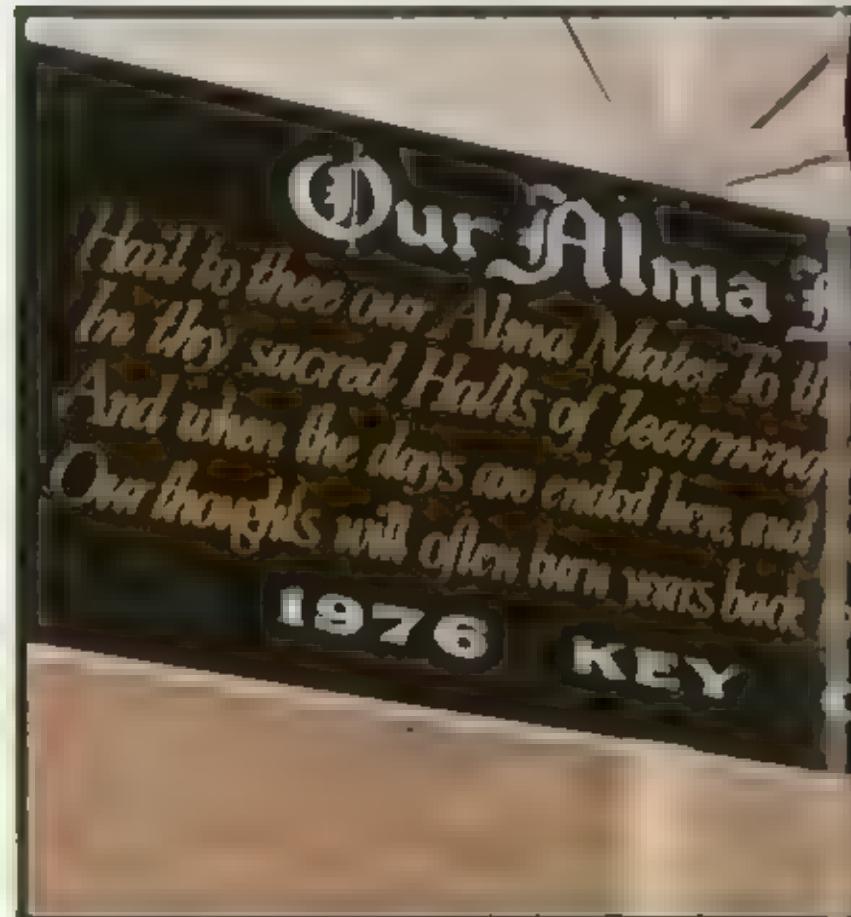

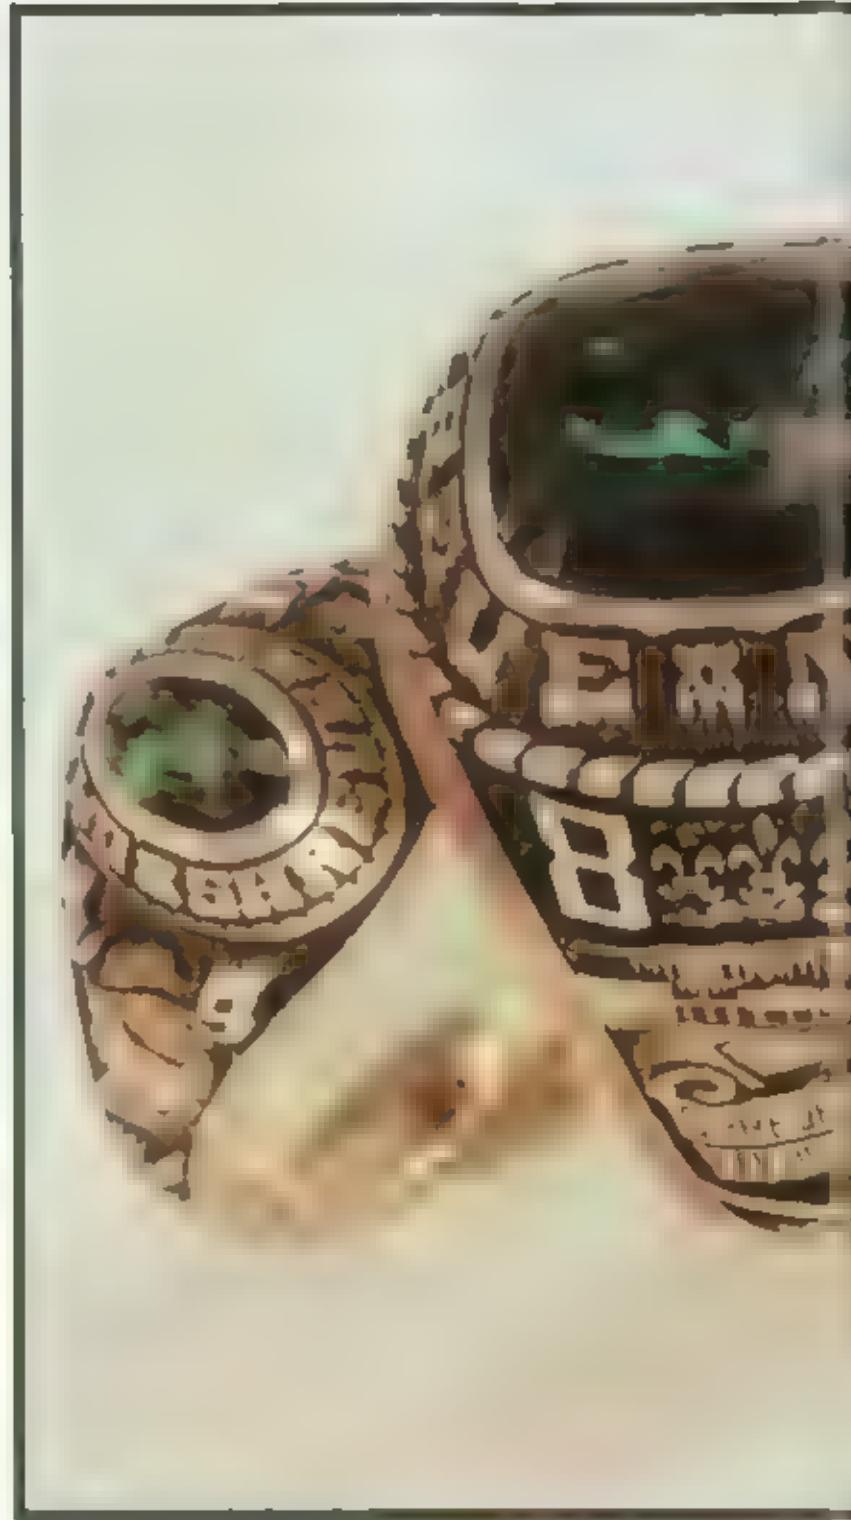

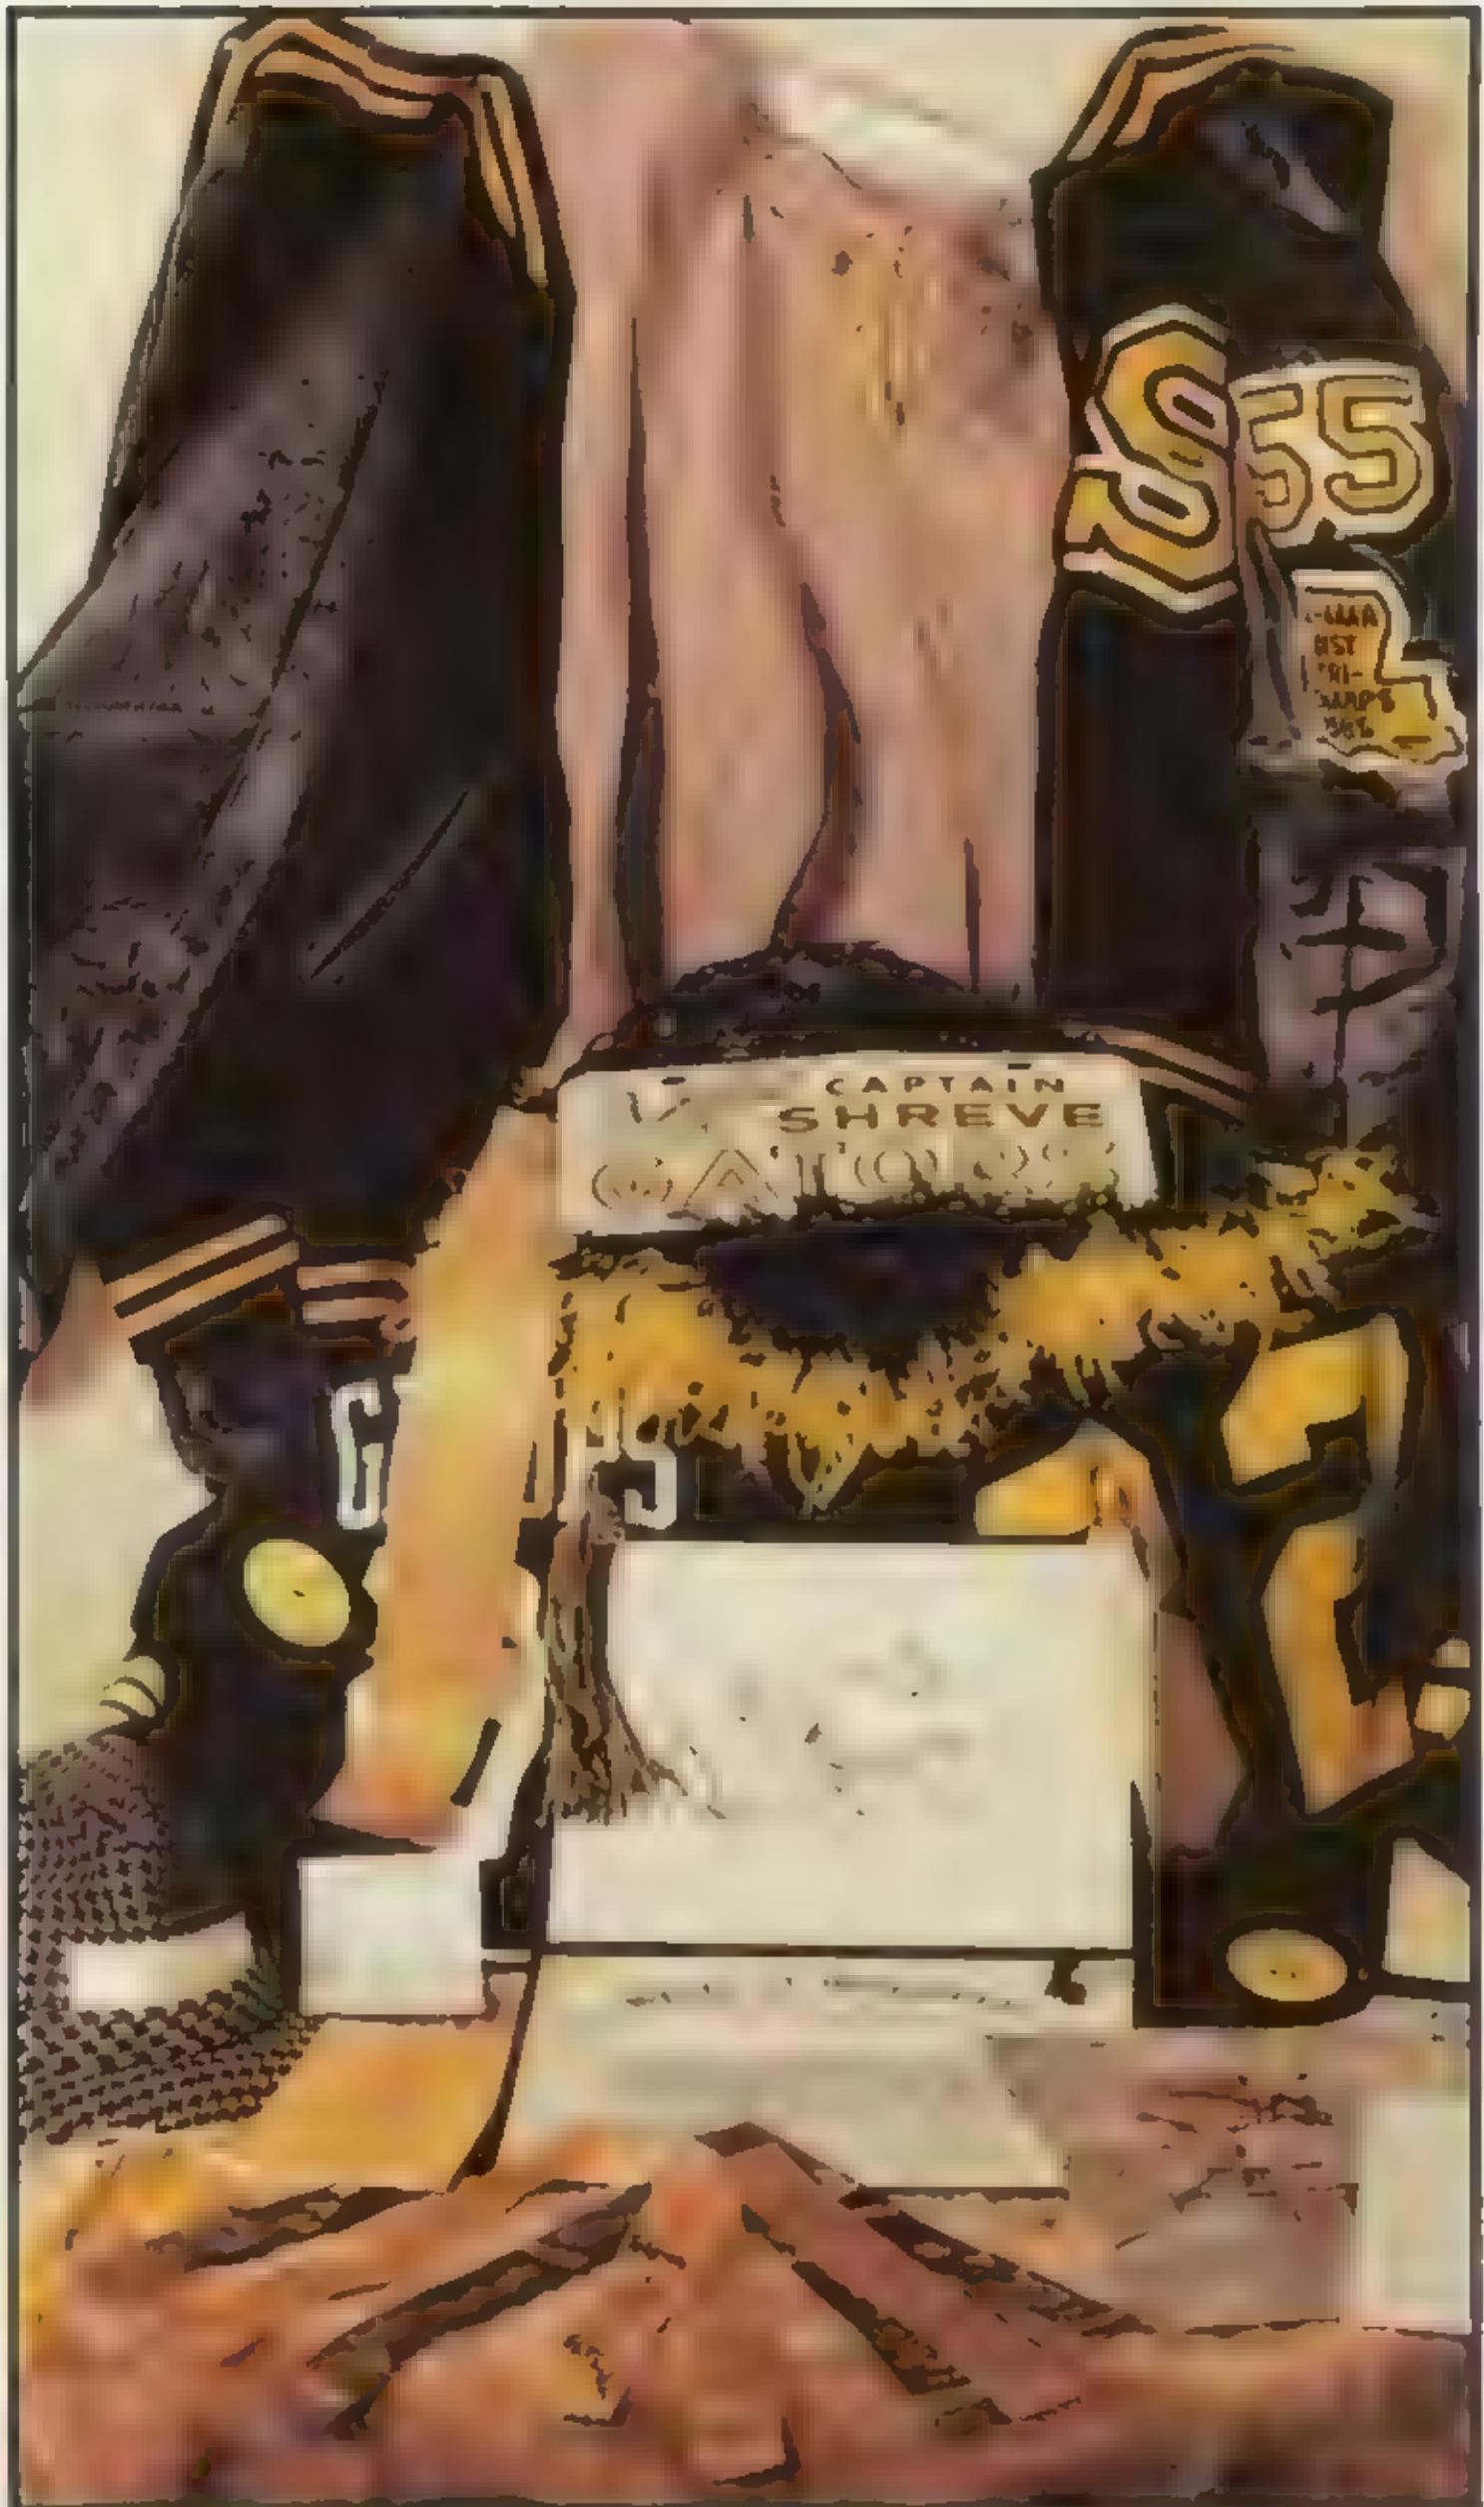

THE GATORLAND TRADITION WAS ALWAYS BUILDING. EACH YEAR NEW TRADITIONS WERE BEING SET FOR GATOR PROSPERITY. IN JUST TWO DECADES GATORS HAD PLAYED AS ROLE MODELS AND SET GUIDELINES FOR ENVIOUS SPECTATORS ALL AROUND. WITH RESPECT TO RIGID GUIDELINES OF ATTENDANCE, TARDINESS, AND BEHAVIOR, DAILY TRADITIONS CONTINUED. GATOR TRADITIONS OF WINNING AND HIGH ACADEMIC STANDARDS LONG ENDURED.

BEING A GATOR WAS GOOD, BUT BEING A GATOR ALUMNI IS GREAT! THE 20 YEARS OF OUTSTANDING GRADUATES PRODUCED BY CAPTAIN SHREVE ARE TODAY'S LEADERS OF SOCIETY. THE ALUMNI STILL PLAY AN IMPORTANT ROLE IN GATORLAND. OFFERING FINANCIAL SUPPORT, ATTENDING SPORTING EVENTS OR JUST PROVIDING MORAL SUPPORT, CAPTAIN SHREVE ALUMNI ARE THERE. THEY KNOW WHAT AN ASSET CAPTAIN SHREVE WAS FOR THEM SO IN PARTIAL RETURN, THEY KEEP THEIR SUPPORT STRONG AND EVERLASTING!

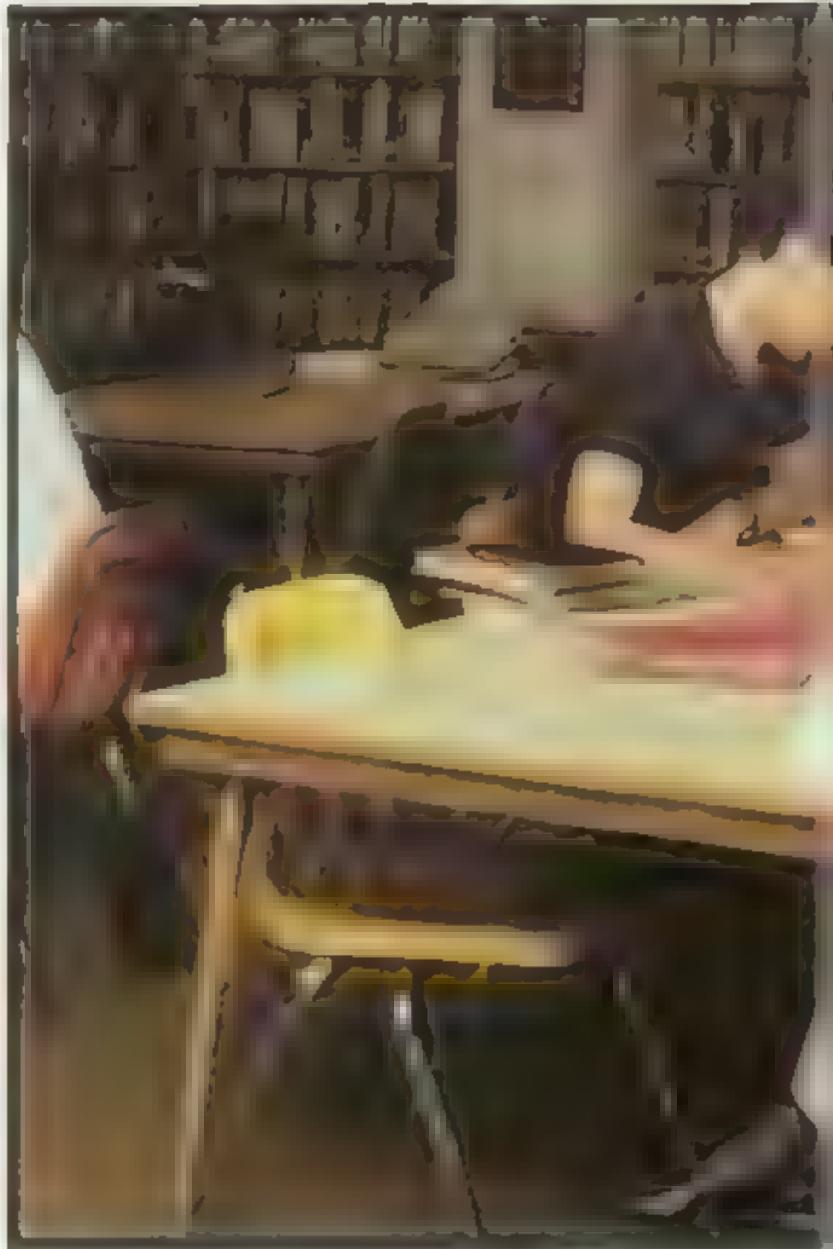

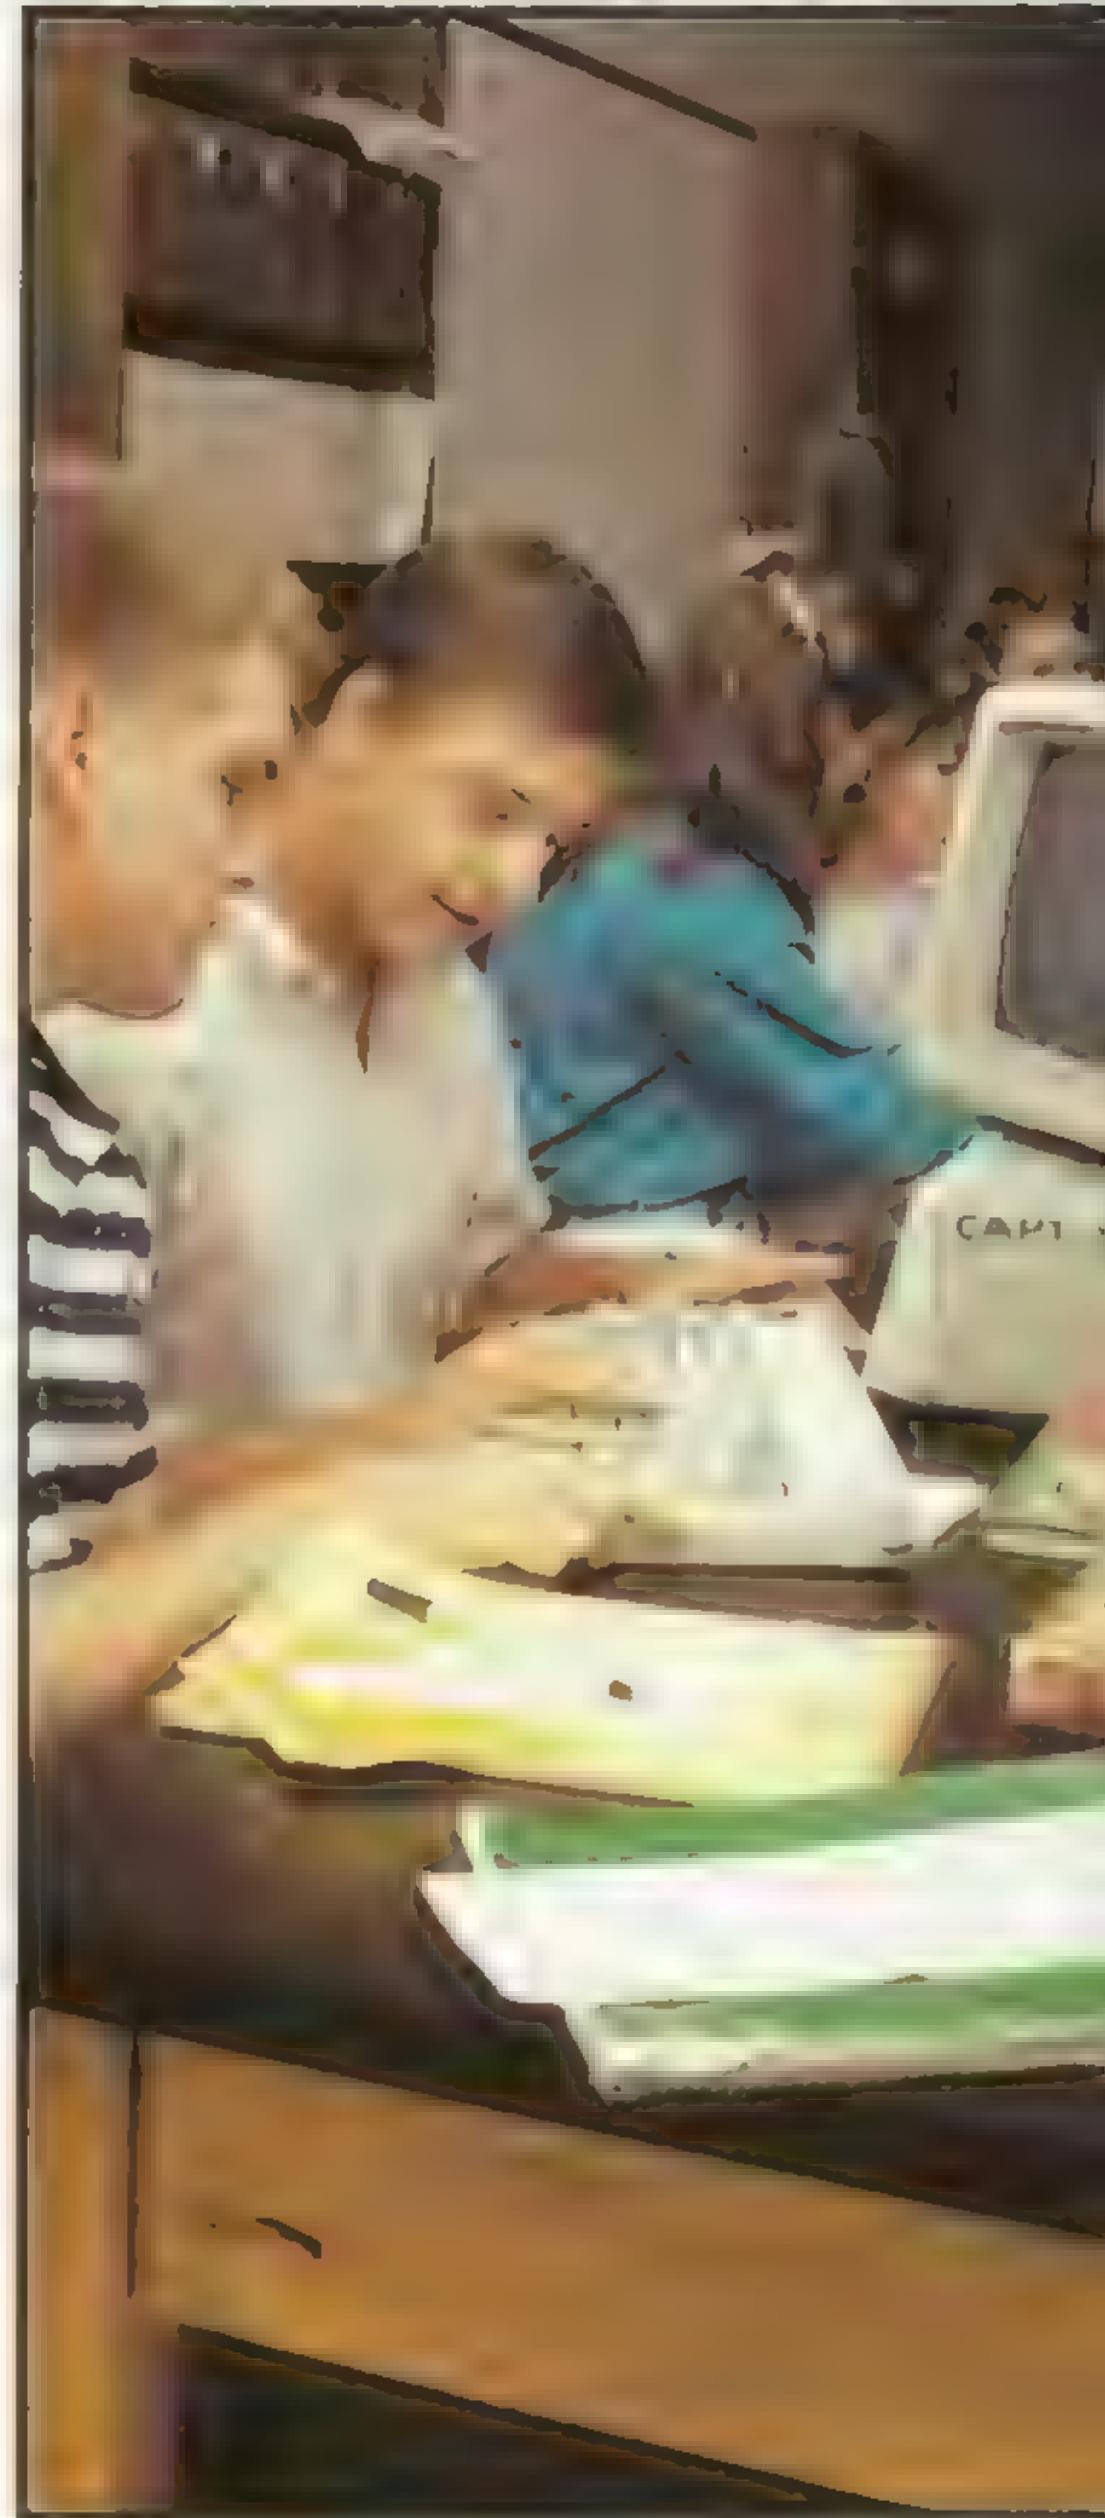

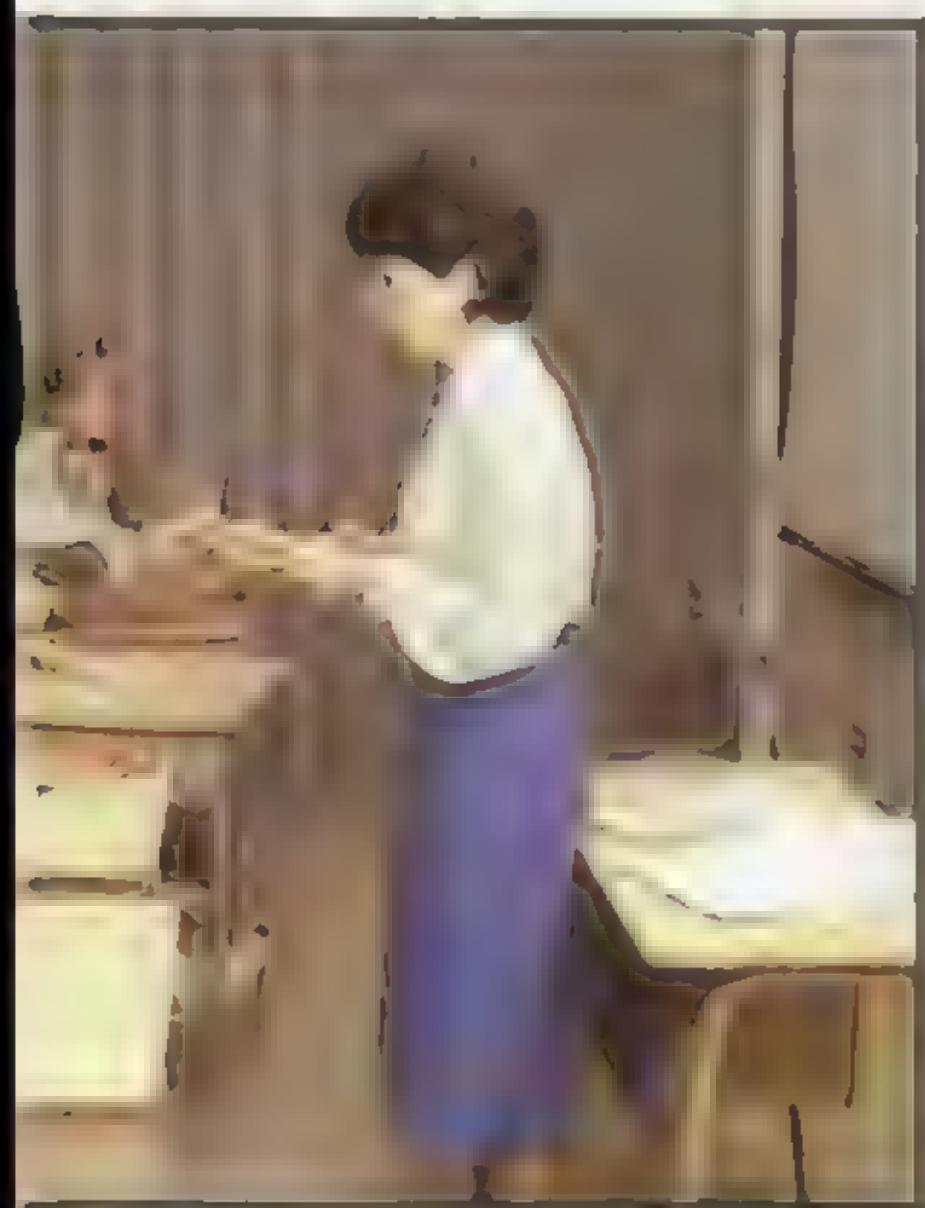

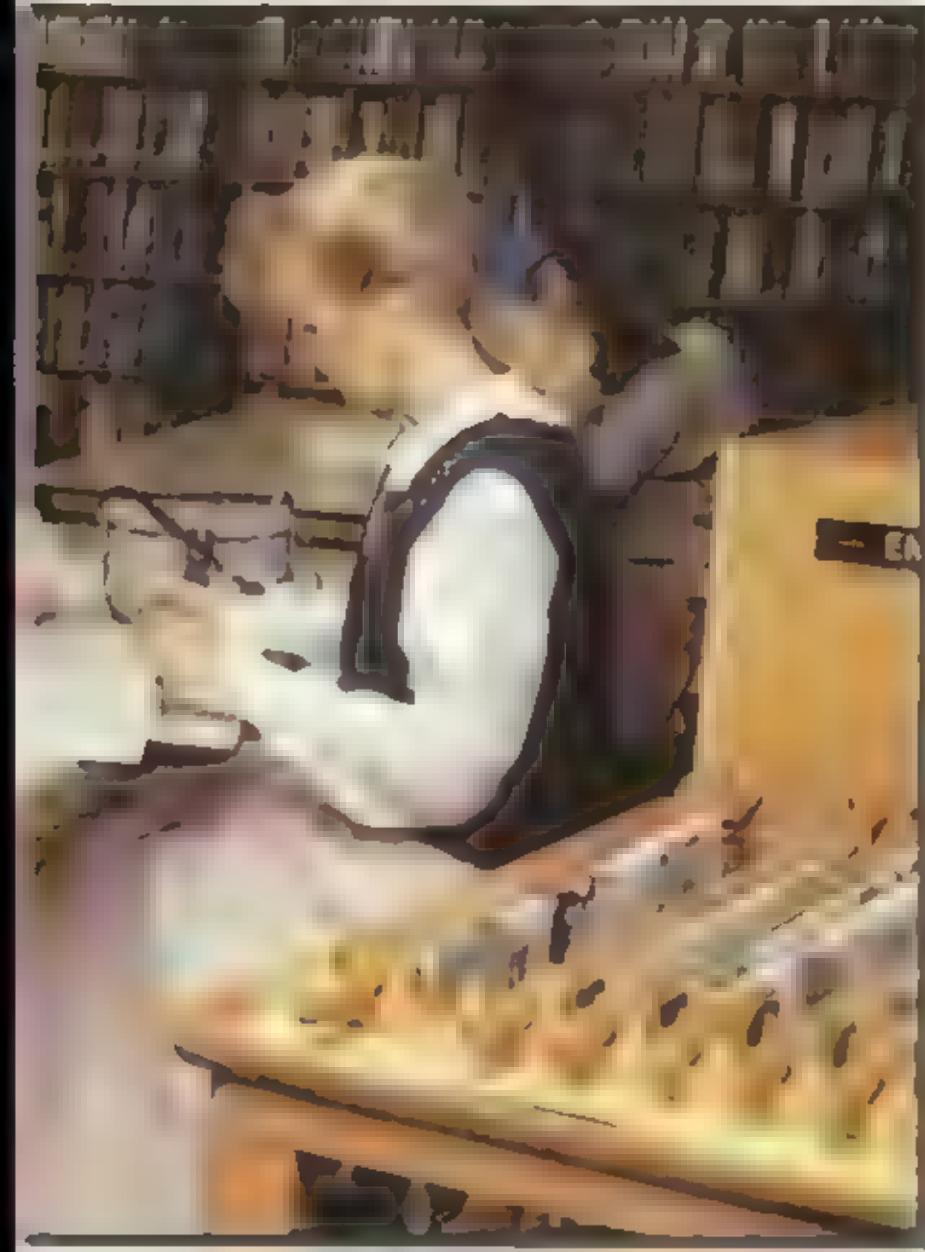

THE SPIRIT IN GATORLAND NEVER FAILED! THE SPIRIT RANGED FROM THE NEVER ENDING VIVACIOUSNESS OF THE CHEERLEADERS & AL. E GATOR. TO THE SPIRITED STUDENTS AND FACULTY THIS ENERGETIC SPIRIT WAS A UNIQUE QUALITY THAT KEPT THE SCHOOL IN FULL DRIVING FORCE. THE SPIRIT WAS REVITALIZED BECAUSE GATORS ALWAYS HAD SOMETHING TO CHEER ABOUT. WHETHER IT WAS DOMINATION IN SPORTS, EXCEPTIONAL ACHIEVEMENTS OR JUST GOOD GRADES, GATORS ALWAYS HAD SPIRIT!

THE EDUCATIONAL OPPORTUNITIES AT CAPTAIN SHREVE SURPASSED ALL OTHERS. WITH EXCELLENT INSTRUCTORS WHO BRING OUT THE HIGHEST LEVEL OF PERFORMANCE FROM EACH STUDENT. CAPTAIN SHREVE STUDENTS WERE CHALLENGED TO THEIR FULLEST POTENTIAL. STAFF MEMBERS AND TEACHERS WITH UNDERSTANDING INTEGRITY, AND EXTENSIVE KNOWLEDGE COMPRISED THE ADMINISTRATION OF CAPTAIN SHREVE. EACH TEACHER GAVE A PART OF HIMSELF TO MAKE GATORLAND THE BEST IT COULD BE BY BUILDING THE MINDS OF THE FUTURE!

THE CROWDS IN GATORLAND NEVER CEASED TO ENLARGE. THE SPIRITED STUDENT SECTION, ENORMOUS PEP SQUAD, AND SPECTACULAR BAND NEVER FAILED TO AROUSE ANY GATOR CROWD TO BOISTEROUS BURSTS OF SPIRIT. CAPTAIN SHREVE'S FOLLOWERS IN SPORTS AND ACADEMIC RALLIES NEVER DECREASED. CAPTAIN SHREVE SUPPORTERS NEVER ENDED THEIR SUPPORT BECAUSE BEING A GATOR WAS SOMETHING TO BE PROUD OF!

MEMORIES...

Mr. Stanley Powell, Captain
Shreve's first principal

"I always tried to grow up too fast, but now that I'm leaving I wish I wouldn't have rushed it."
Jennifer Goff 12

During the Spring of 1967, a cotton field became the center of activity. The drawings and blueprints were transformed into a high school that would someday be ranked among the highest in the nation. On September 6, 1967, the doors opened for the first time. Eagerly, the students roamed the campus. This high school was named Captain Shreve, the Swamp, home of the Gators.

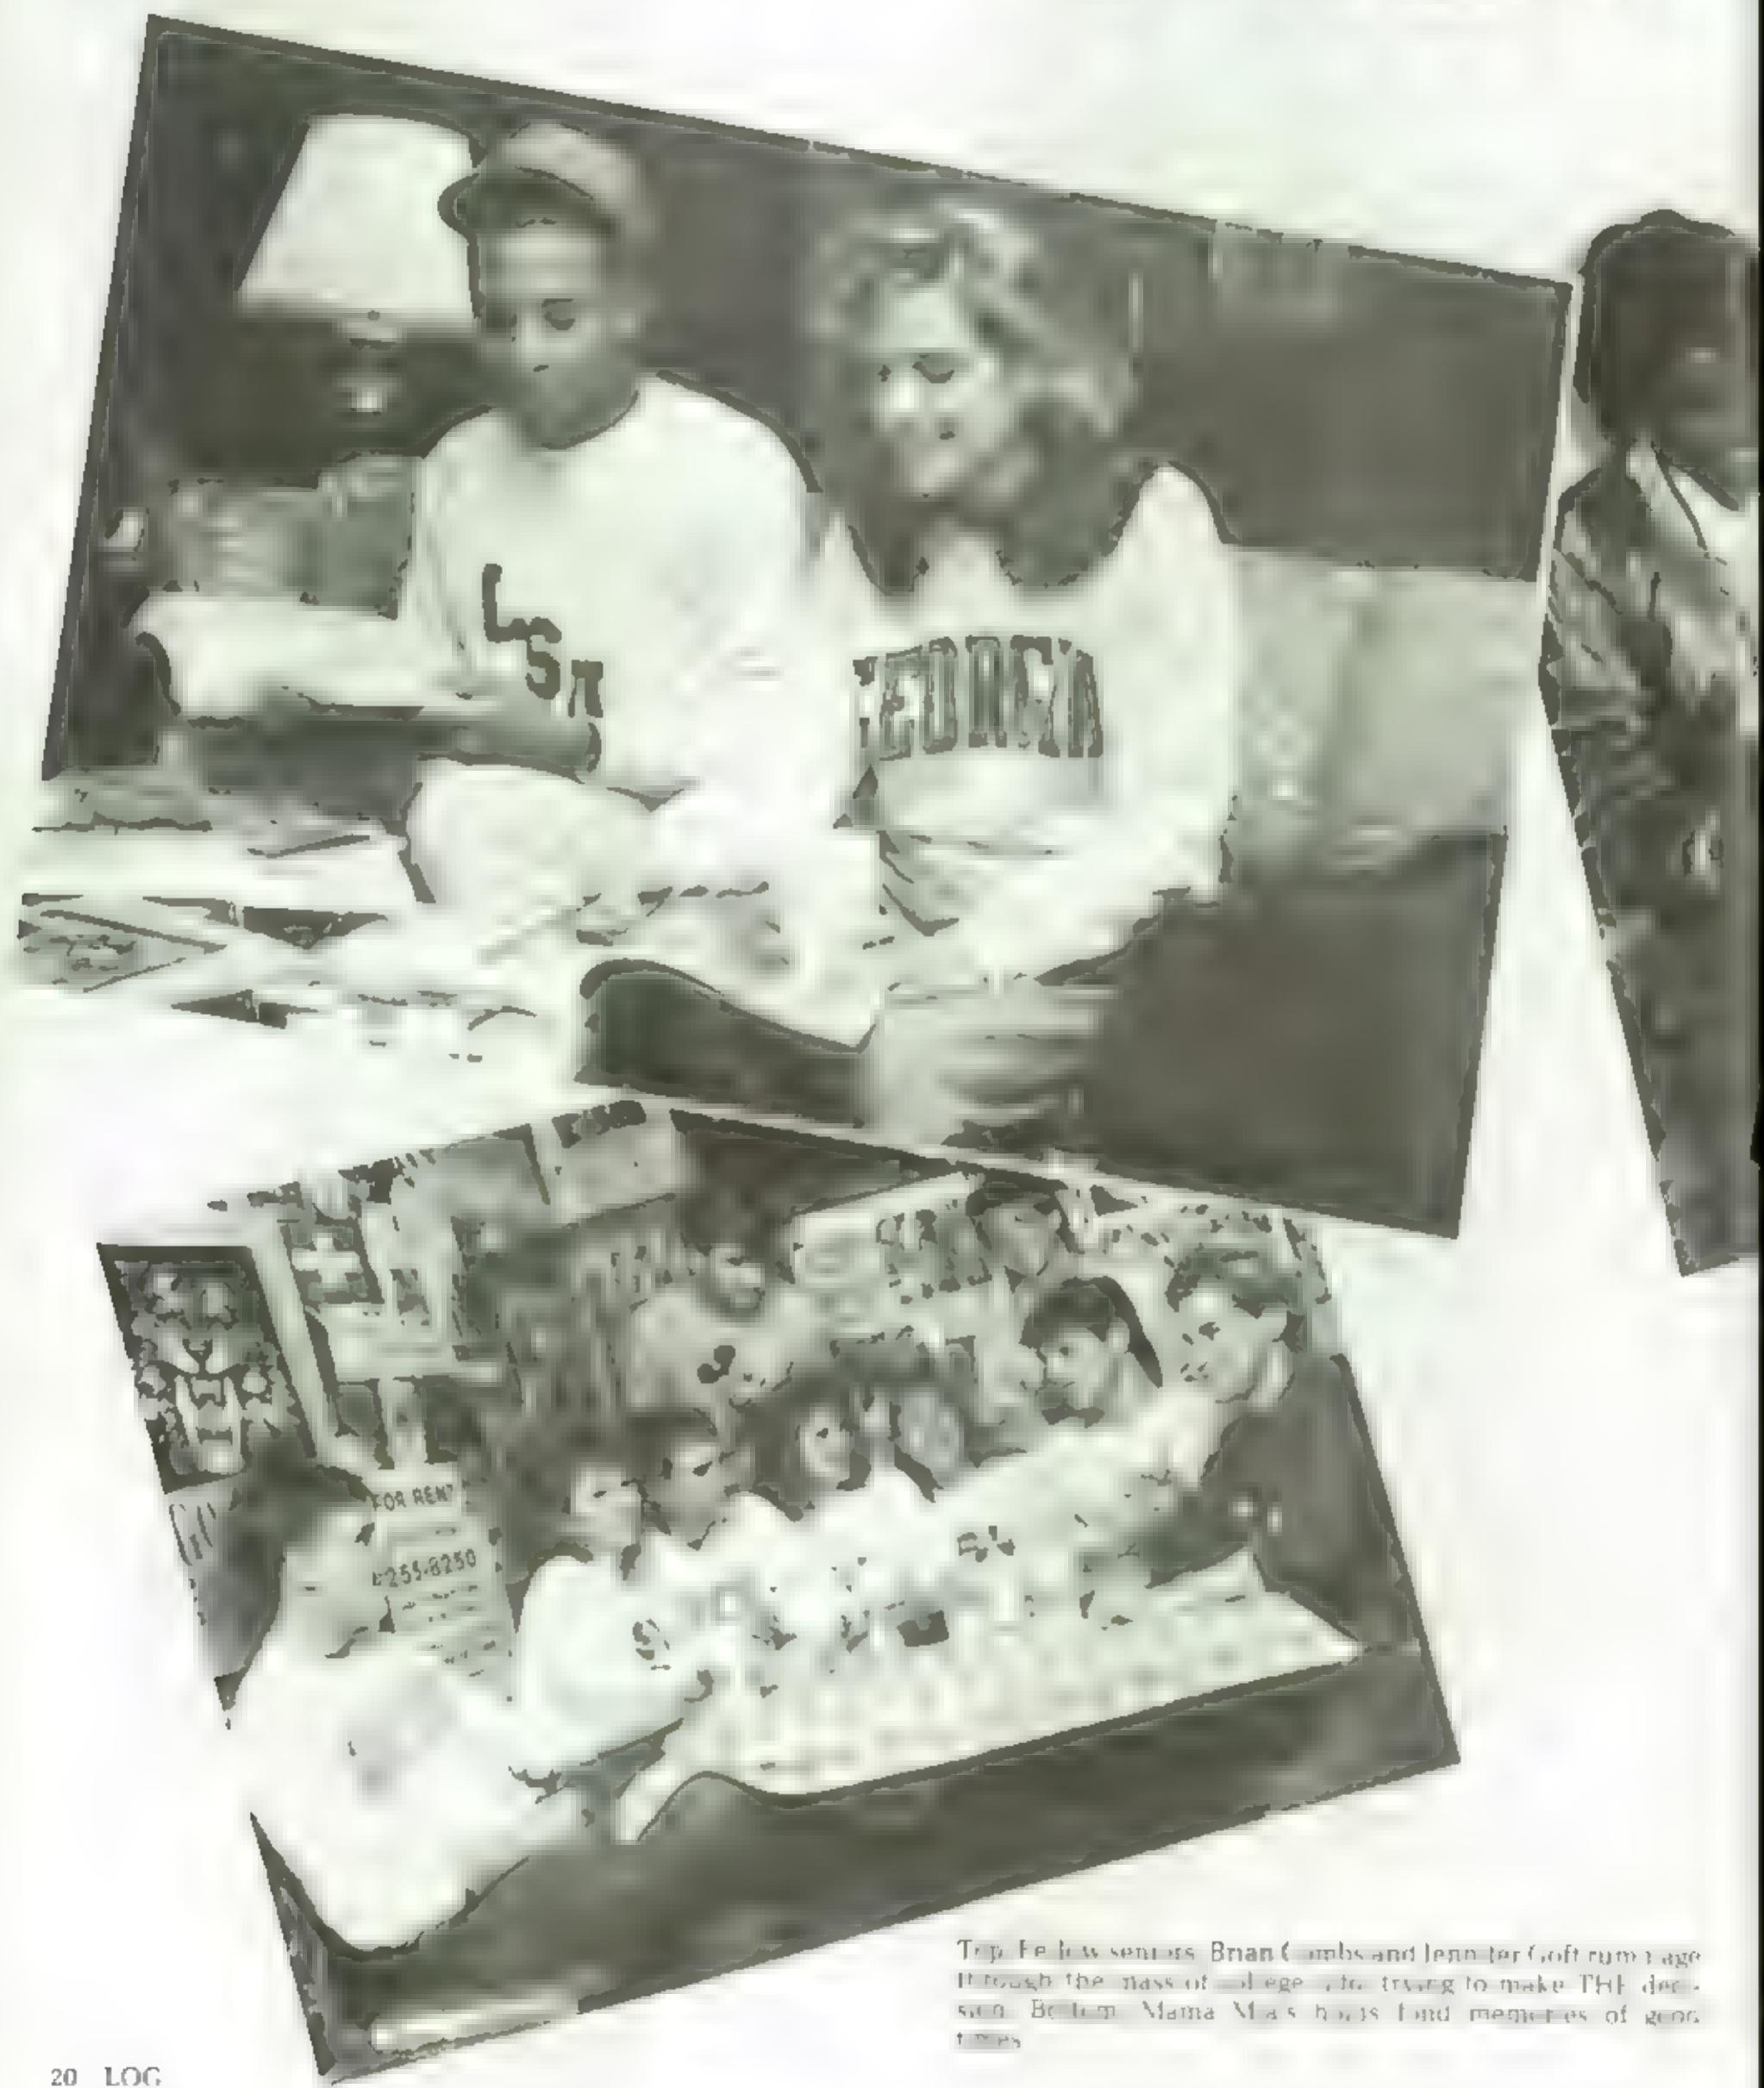

Thanks to Mr. Stanley Powell, Captain Shreve's first principal and faculty — foundations for a school of excellence were established. Through the course of the years, Captain Shreve High School has accomplished much. In 1973, our Gator football team finished the season 14-0, as State Champs! Then in 1979, faithful Mr. Powell retired and was replaced by former Captain Shreve math teacher Miss Sandra McCalla. Under her leadership, Captain Shreve received the honorary Excellence in Education Award in 1982-83. Then in 1985, Captain Shreve received a visit from U.S. Secretary of Education Bennett as a part of his nationwide tour of the most outstanding schools in the country. After twenty years, Captain Shreve held treasured memories of friendships and accomplishments, as well as dreams for the future.

OF MY MIND...

"Going away to college is a scary feeling especially since I plan to go far away from home." Havard Lyons 12

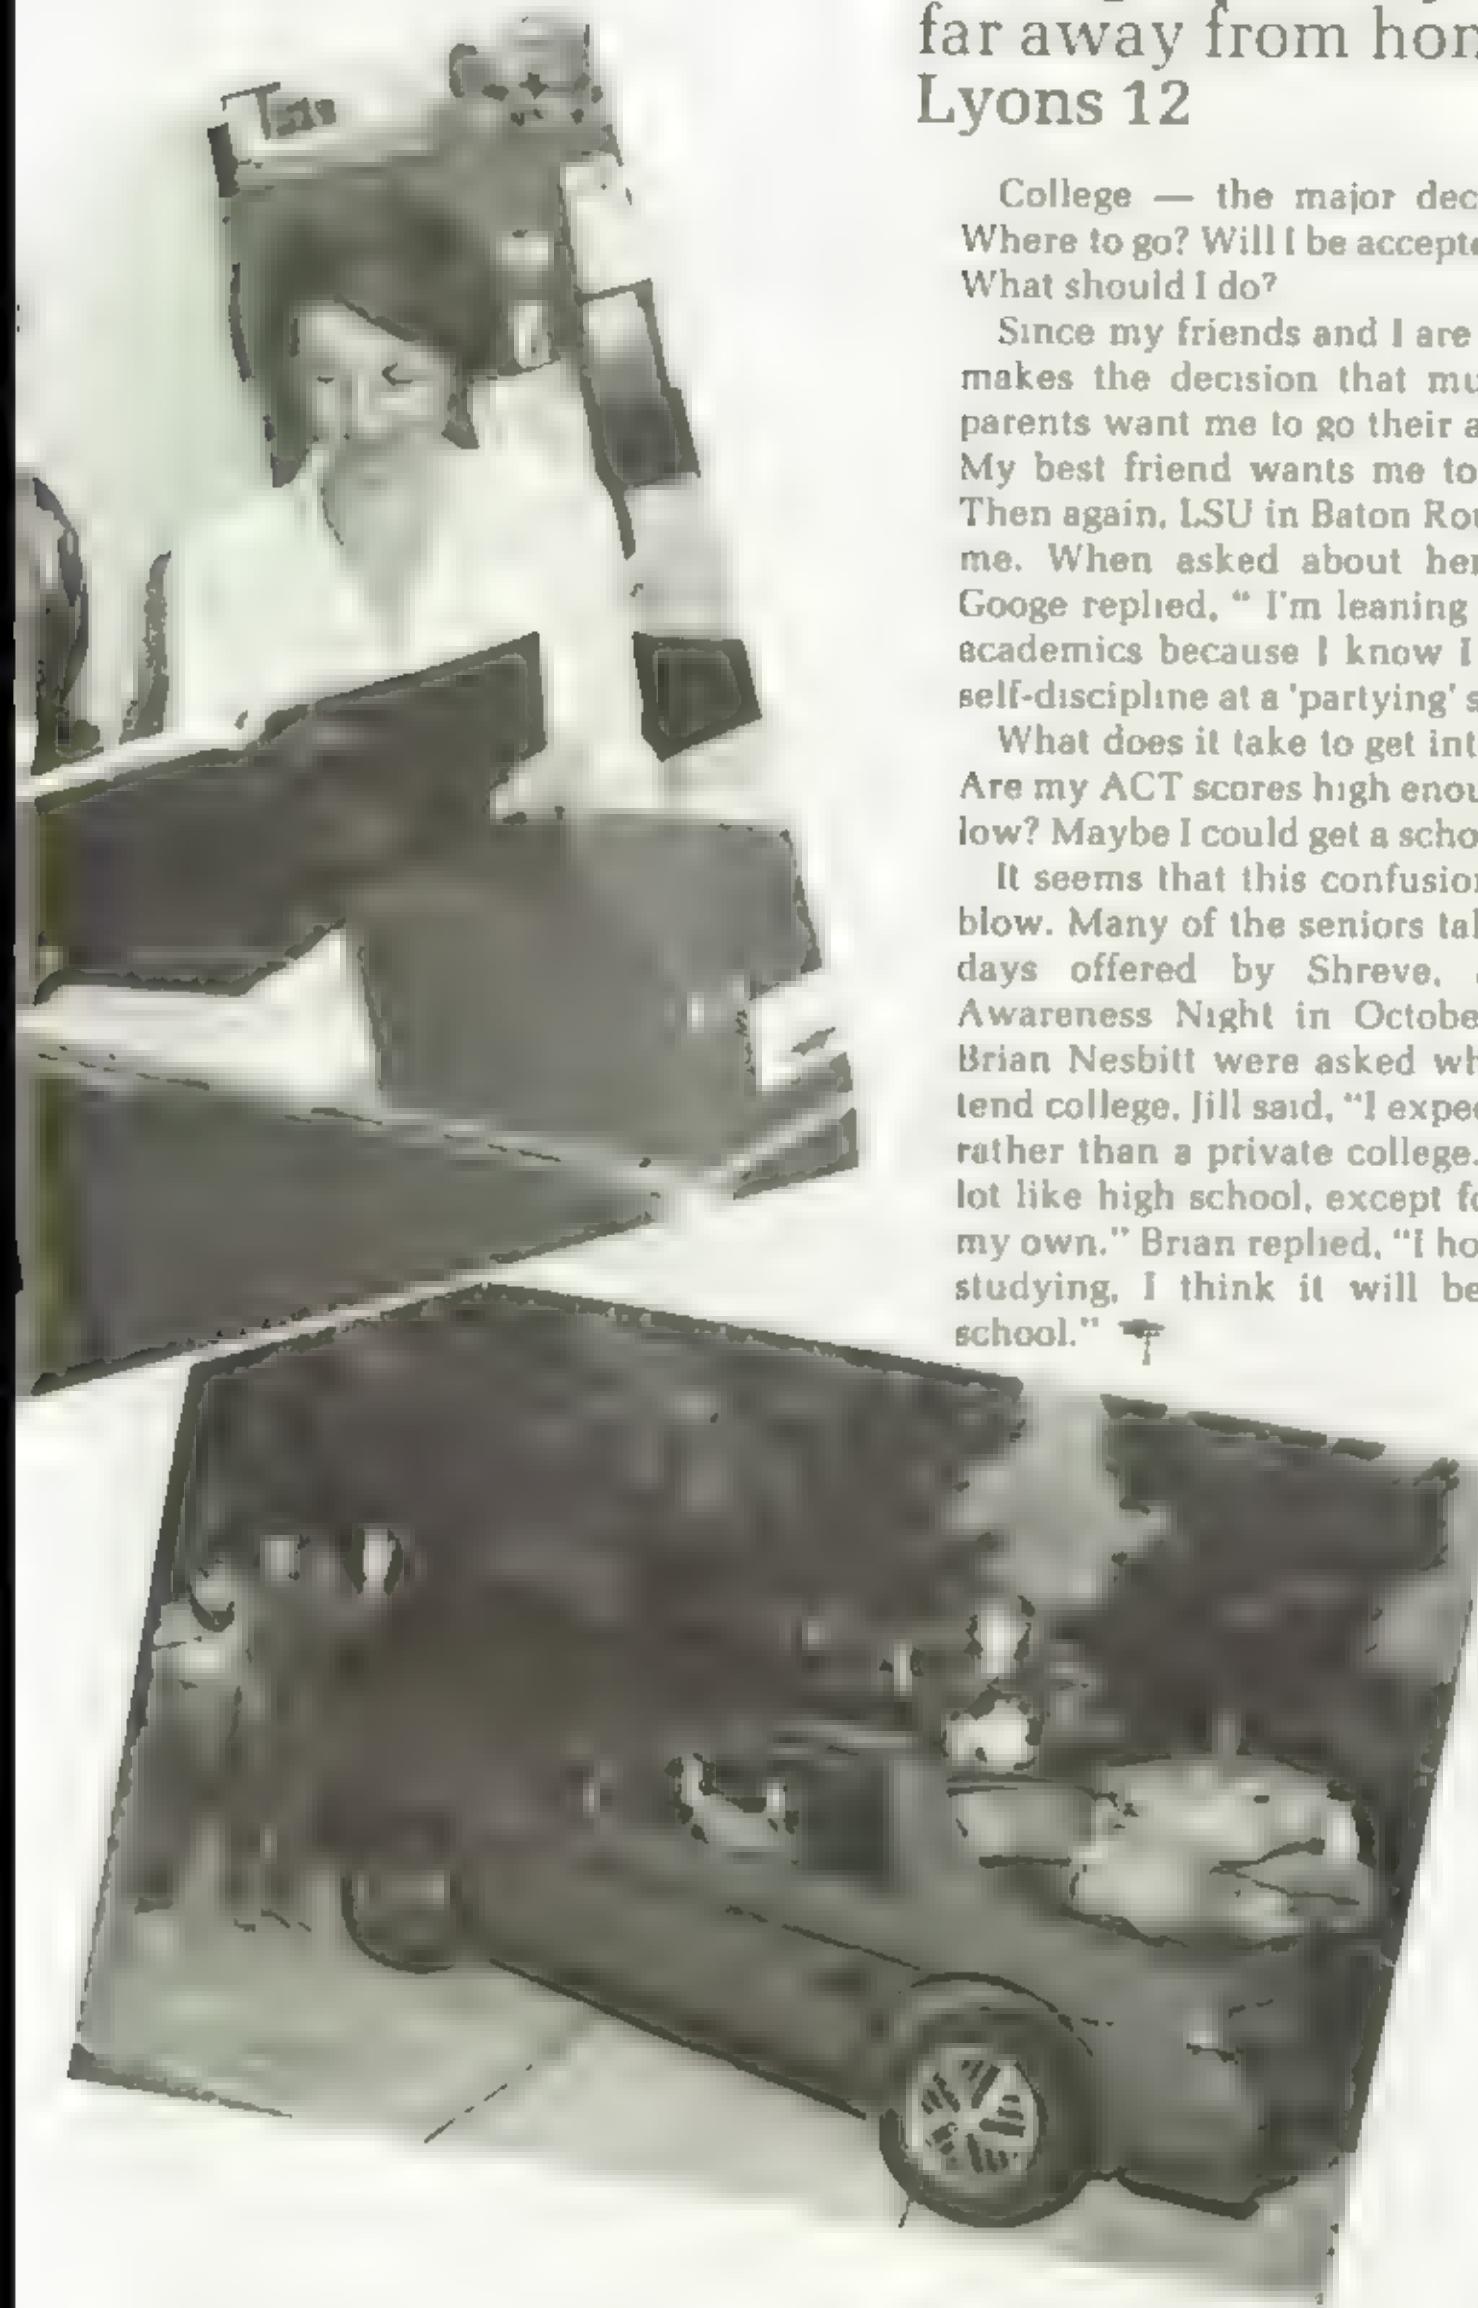

College — the major decision of your senior year! Where to go? Will I be accepted? Can I take the pressure? What should I do?

Since my friends and I are going our separate ways, it makes the decision that much harder. Of course, my parents want me to go their alma mater Louisiana Tech. My best friend wants me to go with her to Northeast. Then again, LSU in Baton Rouge seems like the place for me. When asked about her plans for college Nancy Googe replied, "I'm leaning toward private colleges for academics because I know I wouldn't have very much self-discipline at a 'partying' state university."

What does it take to get into the college of my choice? Are my ACT scores high enough? Is my class ranking too low? Maybe I could get a scholarship!

It seems that this confusion hits the seniors with one blow. Many of the seniors take advantage of the college days offered by Shreve, as well as, the College Awareness Night in October. When Jill Thomas and Brian Nesbitt were asked where they would like to attend college, Jill said, "I expect to go to a state university rather than a private college. I predict college will be a lot like high school, except for the fact that I will be on my own." Brian replied, "I hope to go to Baylor. As far as studying, I think it will be much harder than high school."

Mrs. Gay Cannon pins a corsage on her daughter Casey as she will assist in the crowning of the 1986 Homecoming Queen

"... It was a memorable experience ..." Bobby Hamm 12

Green and gold balloons sparkled like diamonds in the light of the Gator stadium marking the kick-off of Captain Shreve's twentieth Homecoming game. This year the Gators were challenged by the Green Oaks Giants. But, as usual, the Gator team met the challenge, produced in the clutch, and came out on top with a 28-14 victory. During halftime, the 1986 Homecoming queen, Beth Bain, and her court were presented by their fathers with the accompaniment of the band and the pep squad

Since Homecoming night fell on Halloween this year, the theme, "Bad Moon Rising" was quite appropriate!

Rising to the occasion once again, the members of the Student Council transformed the Captain Shreve gym into a spooky swamp with moss and pumpkins adding to the effect. "We worked very hard to make the dance aesthetically appealing and

musically enjoyable," said Carranza Pryor, president of the Student Council. According to sophomore Renee' Robertson, "It was fun because the dance was on Saturday, and that way we could go to the game on Friday night too." Students danced from 9:00 until 12:00 to the music of a disc jockey

Although the dance was "old news" to some, this exciting experience gave the freshman a peek of what to expect from the years to come. "I thought this year's homecoming was well planned, a good turnout, and in general, a lot of fun," replied Mike Johnson when asked about his first "BIG" high school experience

Coming home to fond memories and old friends is always something to be treasured. This was why Captain Shreve has made Homecoming a very special and exciting tradition. ♣

"Having a job gives me extra money which I can use to buy practically anything I want."
Chip Miller 11

Need money? Are you bored? A job may be the thing for you. Whether it was at a clothing store, an ice cream parlor, or a gas station, many Gators were busy this summer with part-time as well as full-time jobs.

Trey Cox worked at a law firm downtown as a runner. "I had a nine to five job and what I'd rather have had was a part-time job. It really didn't allow enough time to do the things I wanted to do." In addition, Craig Lang was a runner for his father, a stockbroker. "I ran errands and took papers to all of the banks. I really liked it a lot, plus it was something to do over the summer!" said Craig.

Another popular money-getter this summer was life guarding at neighborhood pools. According to Robby Wise, a lifeguard at Riverside Swim Club, "I liked the idea of being able to sit out in the sun, watch the pretty girls, and, at the same time, get paid for it!"

As the school year set in and schedules began to grow, many Gators began to question why they spent their summer behind a counter, in the office, or, for the lucky ones, in the sun!

Kimberly Kallenberg taught deaf children how to play tennis for the Deaf Action Center. "I took this job because I love kids. Even though I didn't get paid, I enjoyed helping those who aren't as fortunate as most."

Now that school has begun, the COE program, sponsored by Mrs. Leviston, has been extremely helpful in finding interesting and exciting jobs for those students who wish to work. The students are pursuing work in a field they may wish to join later. In addition, these students received credit for their work.

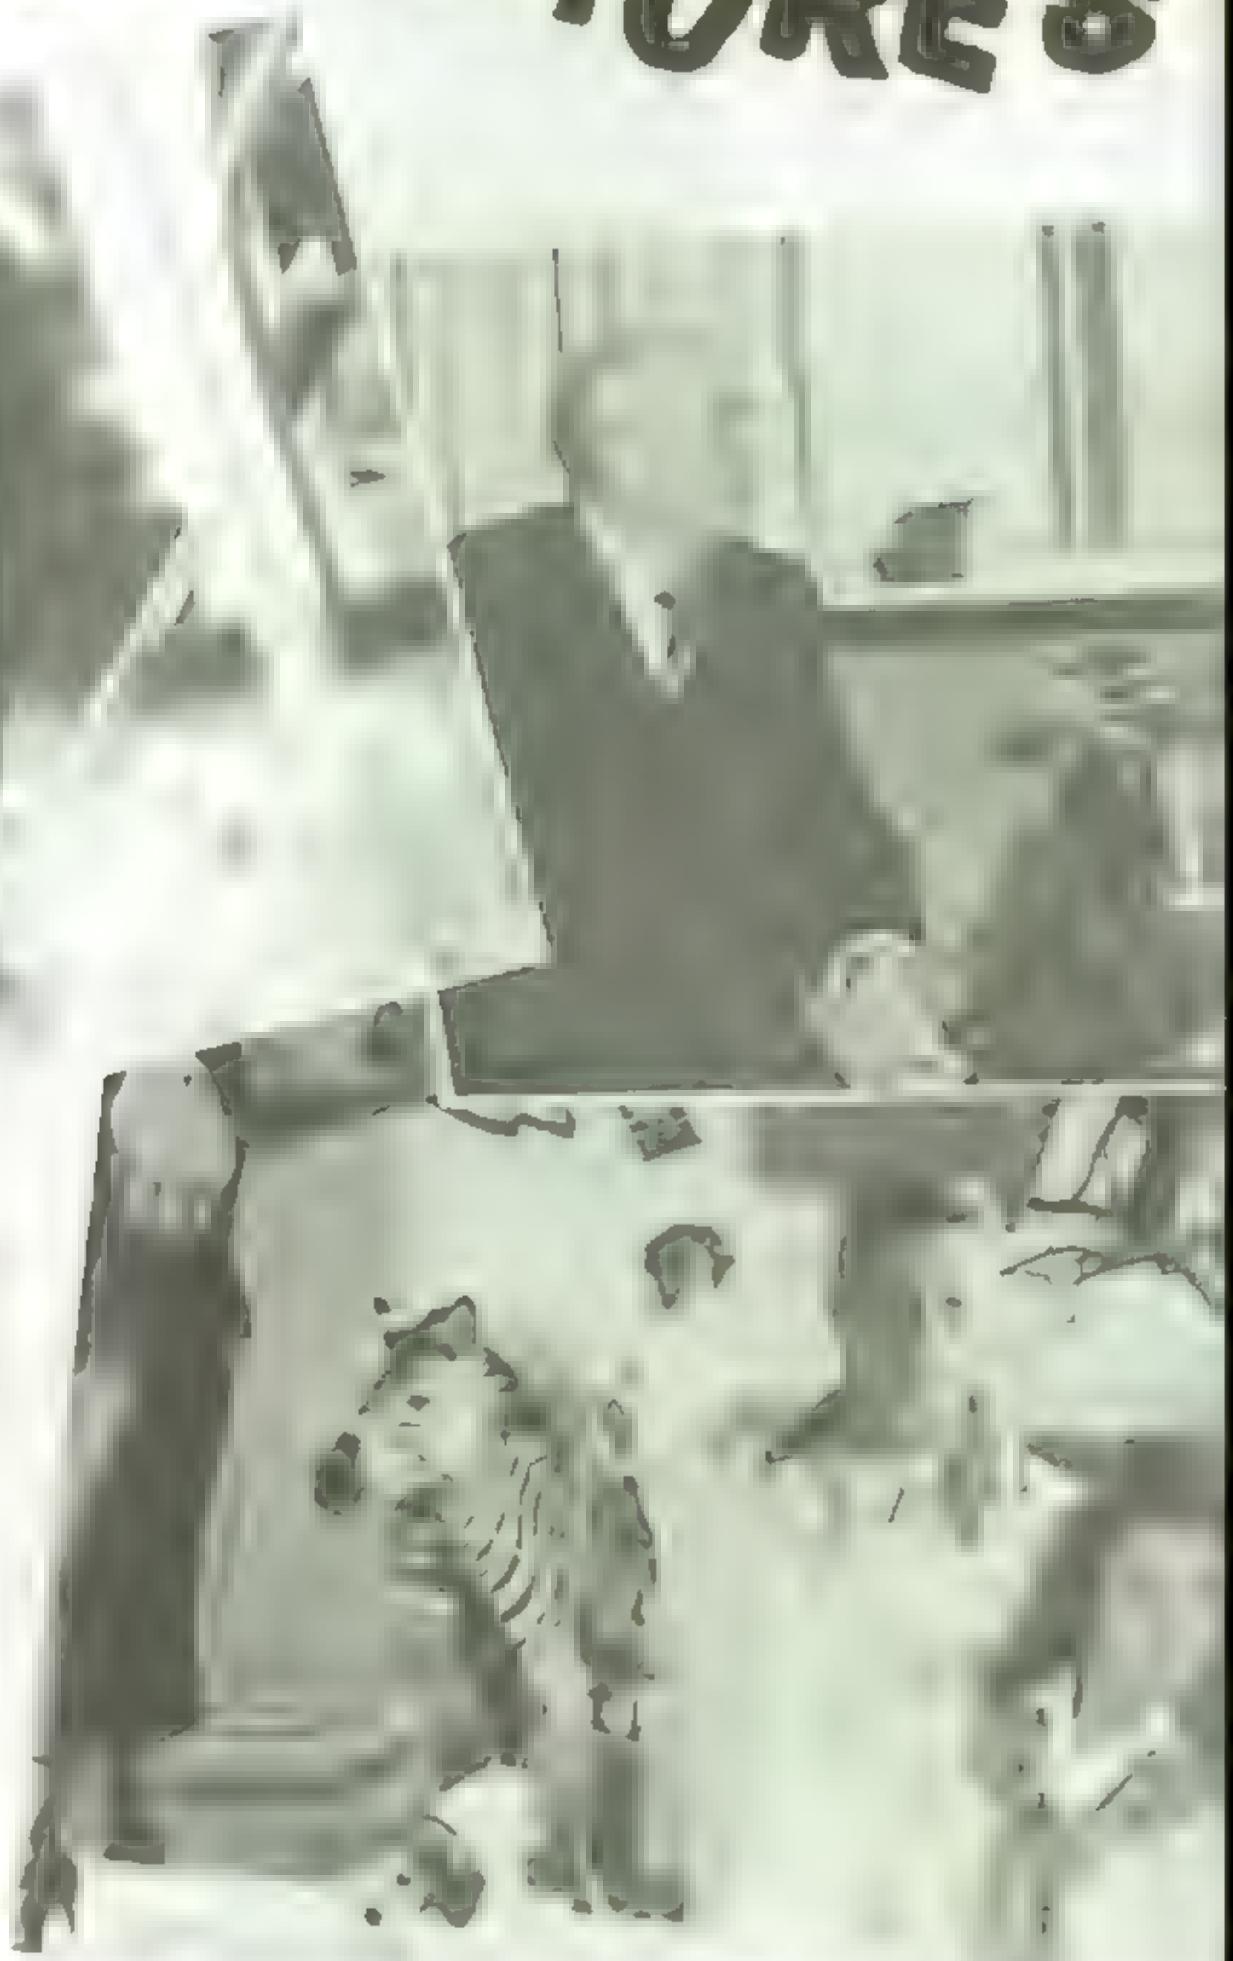

Another program interested in student involvement in a potential career pursuit was the academic internship program. They receive no pay but credits toward their high school graduation. Tammie Nehring, an academic internist at the Willis Knighton physical therapy department, said, "It gives me really good first-hand experience in a field that I would really like to go into."

Captain Shreve's students have begun learning early the responsibilities, along with the sacrifices and benefits of having their own job.

WE LEFT

OF THE TIMES

1986 — a year of achievements and a year of tragedies. In January, the space shuttle Challenger rose slowly and smoothly into a clear blue sky carrying six astronauts along with Schoolteacher Christa McAuliffe. As America watched, the Challenger suddenly turned into a giant fireball only seventy-three seconds after liftoff. The horror stricken viewers scarcely realized what had just occurred. The tragedy deepened when a presidential commission discovered that the accident was a result of bureaucratic mismanagement and neglect. Memorials across the nations mourned the tremendous loss of such citizens. The world will never forget the love they gave nor the price they paid for their country.

In addition, the long battle against terrorist attacks against the United States and other European countries increased in '86. Thus, it resulted in a U.S. air raid on Libya and its leader Muammar Gaddafi.

In April, the world watched as the Chernobyl nuclear plant in Russia exploded and burned, clogging the air with poisonous gases and causing as many as 5,000 premature deaths due to radiation induced cancer. This was the worst nuclear disaster in history.

As the younger generation turned to an addictive and boiled down form of cocaine known as crack, the drug epidemic became more sobering than ever. This allowed the U.S. and the world to note the extent of the problem of drug addiction.

1986 was a year full of women also. For instance, in the Philippines a major change occurred. The powerful leader of twenty years was overthrown by Mrs. Corazon Aquino, the wife of a political leader killed several years ago by the Marcos Regime. Nationally, a woman stood proud in New York Harbor for her 100th anniversary this year. Huge celebrations, parades, parties, and publicity accompanied the Statue of Liberty on this festive 4th of July.

Along more trivial terms, locally, the Independence Bowl held a record crowd to watch 'Ole Miss beat Texas Tech by a score of 20-17, and the Captains' stadium was finally completed and entitled the "Fair Grounds Field." 1986—A year of excitement, locally, nationally, and internationally—proving our world is alive and ticking! ☺

BEHIND

TIMES WE SHARED

"I took up weightlifting in between sports mainly because I didn't have anything better to do." Trey Cox 11

What have you done in your spare time lately? Whether it was karate, gymnastics, or photography, Captain Shreve Gators never ceased to catch an eye. For instance, John David Hague worked as a professional photographer for one of the studios here in town. Mary Bevins was another professional gator. She worked as an aerobics instructor at Body Express as well as a gymnastics teacher at Jill's Gymnastics Studio. These jobs were great for experience as well as the pocketbook!

There were also many musical gators in the crowd. Playing the piano, drums, and guitar were popular past times. Captain Shreve Gators Jimmy Nutt, James Leblanc, Shane Rogers, and Adam Hamilton formed their own band! "The Hysterix" played at many city-wide functions such as Art Break and the Revel.

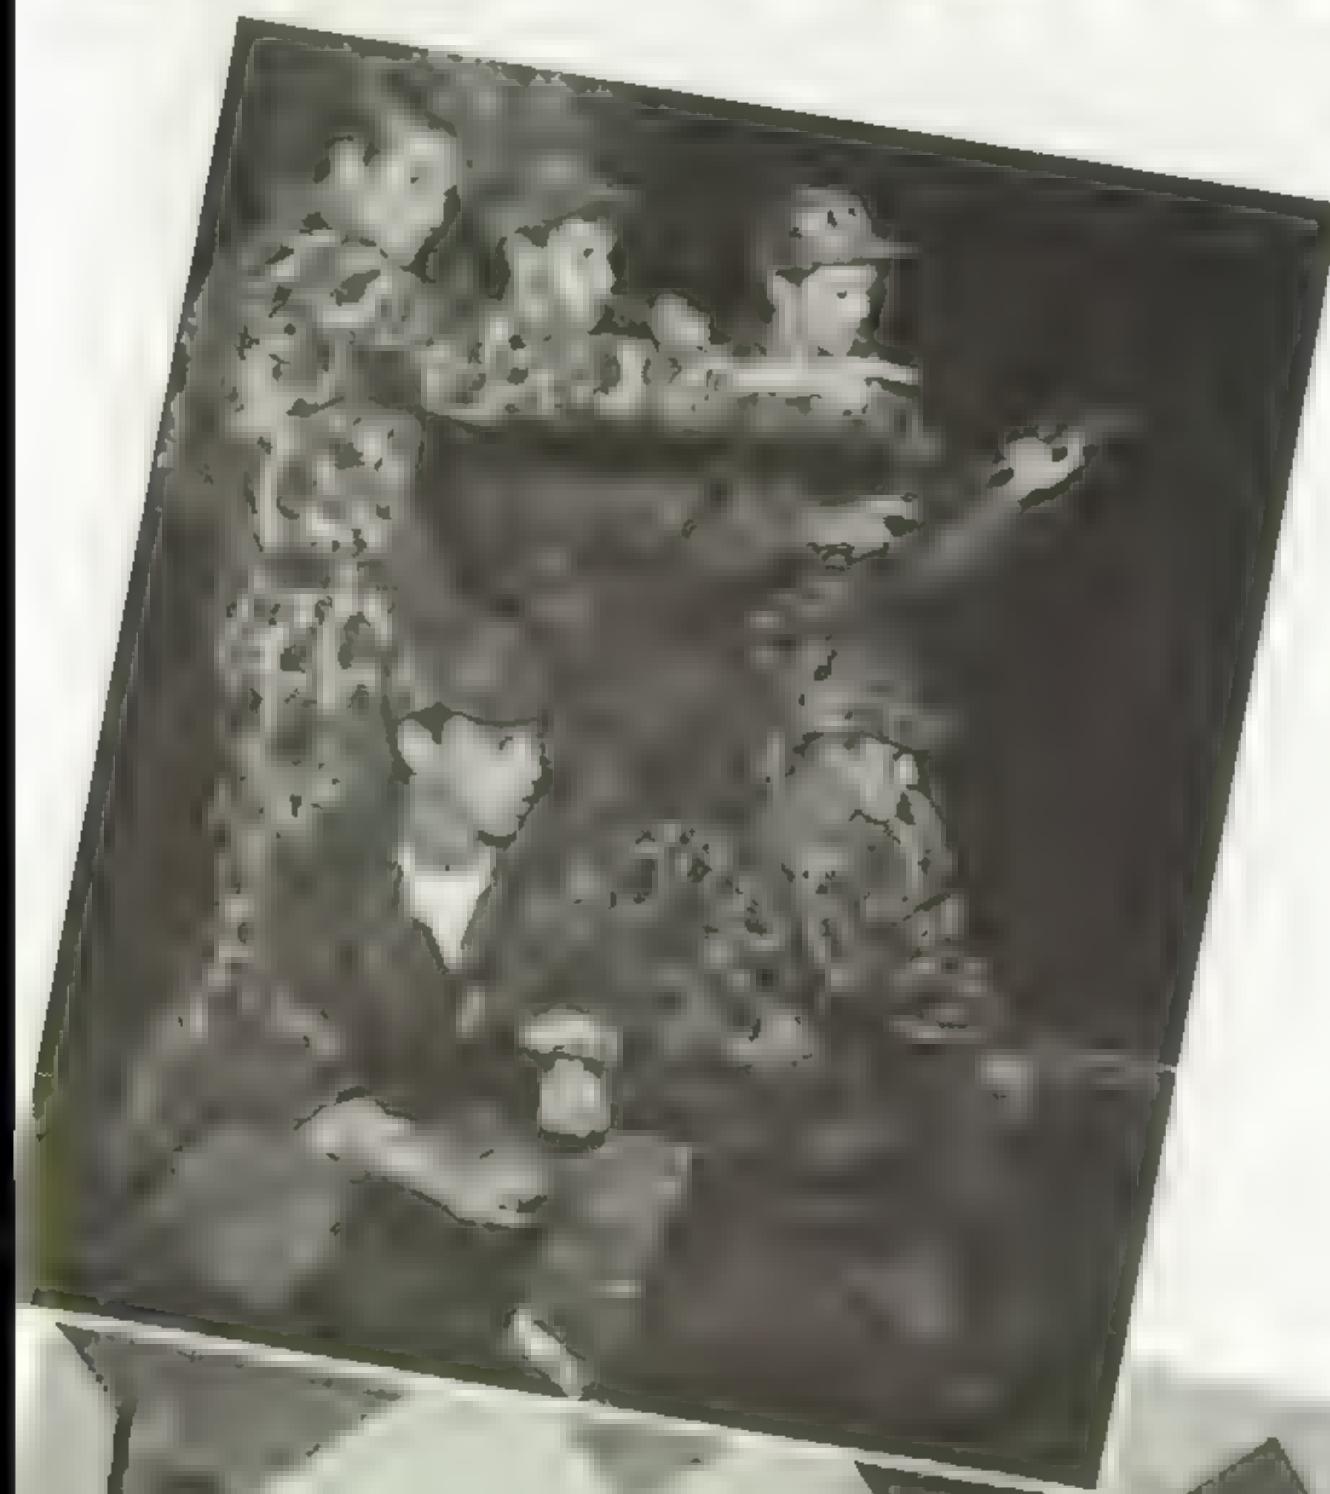

Sports have occupied much of the life of Captain Shreve Gators. For instance, Brian Williams spent numerous hours polishing and repolishing his football moves and passes to perfection, and it certainly paid off! Another active gator was Catherine Pringle. Her hobby of swimming became a bit more than just a hobby. Swimming up to five hours a day, Catherine's achievements rose far and beyond the call of duty!

Captain Shreve Gators were always busy whether it was school, extra-curricular activities, or their hobbies. These times shared with one another have paid off! ☺

WAY WE WERE.

Freshmen Courtney Burris, Yolanda Merriweather, Stacy Mirts, and Mandy Biggers show their Gator spirit during Homecoming week by wearing all black to "Blackout the Giants!"

"I just moved here from Washington D.C., and the spirit at my old school is nothing compared to Shreve's — the spirit here is incredible!" Janelle Hancock 11

"School spirit was being proud of something that meant a lot to you, such as Captain Shreve," according to KC Kilpatrick, a freshman at Captain Shreve.

Football pep rallies and Gator spirit all went hand in hand at Captain Shreve. With the help of the cheerleaders, pep squad and band Friday afternoons were full of pep and excitement. After the gym was stuffed with students sitting and standing, the band began to play and the Gator spirit began to build. As the Gators rose to their feet, the band played the old familiar tune. Arm in arm and hand in hand, the Gators swayed and sang "All hail to thee our alma mater, to the green and gold

In thy sacred halls of learning honor we'll uphold
And when our days are ended here and from these halls we leave
Our thoughts will often turn years back to the days at CAPTAIN SHREVE!"

The students, teachers and parents are forever proud of Captain Shreve. They support the Gators through thick and thin with their hopeful faces and boisterous cheers.

Now aren't you glad you were a Gator, because that true Gator spirit never dies!

MISS SANDRA MCCALLA

Miss Sandra McCalla, our principal, consistently maintained high standards for Captain Shreve faculty and students. The faculty and students in turn set priorities which resulted in an exemplary program. Miss McCalla noted, "The community, teachers, and students function well because they accept responsibility for themselves."

She identified the Excellence in Education Award, computers for each counselor, an increase in extra-curricular activities, and the largest attendance records in the nation for CLOSE UP as strong points. If given the chance to change anything at Captain Shreve, Miss McCalla would have decreased the size of the classes, given the teachers two planning periods, and added a fourth floor to the building.

ASSISTANT PRINCIPALS

The two assistant principals at Captain Shreve were Donald Horton and Tommy Powell. Mr. Horton believed that there were no major changes in the students since Shreve opened. He said, "I see the same problems as assistant principal that I saw as a teacher." Mr. Horton said that the only change he saw was **that the education program has become more diverse.**

Assistant Principal Tommy Powell was also a former teacher at Captain Shreve. Throughout his twenty years at Shreve, Mr. Powell said, "The most noticeable change has been in the students' attitude toward school, which has improved over the years."

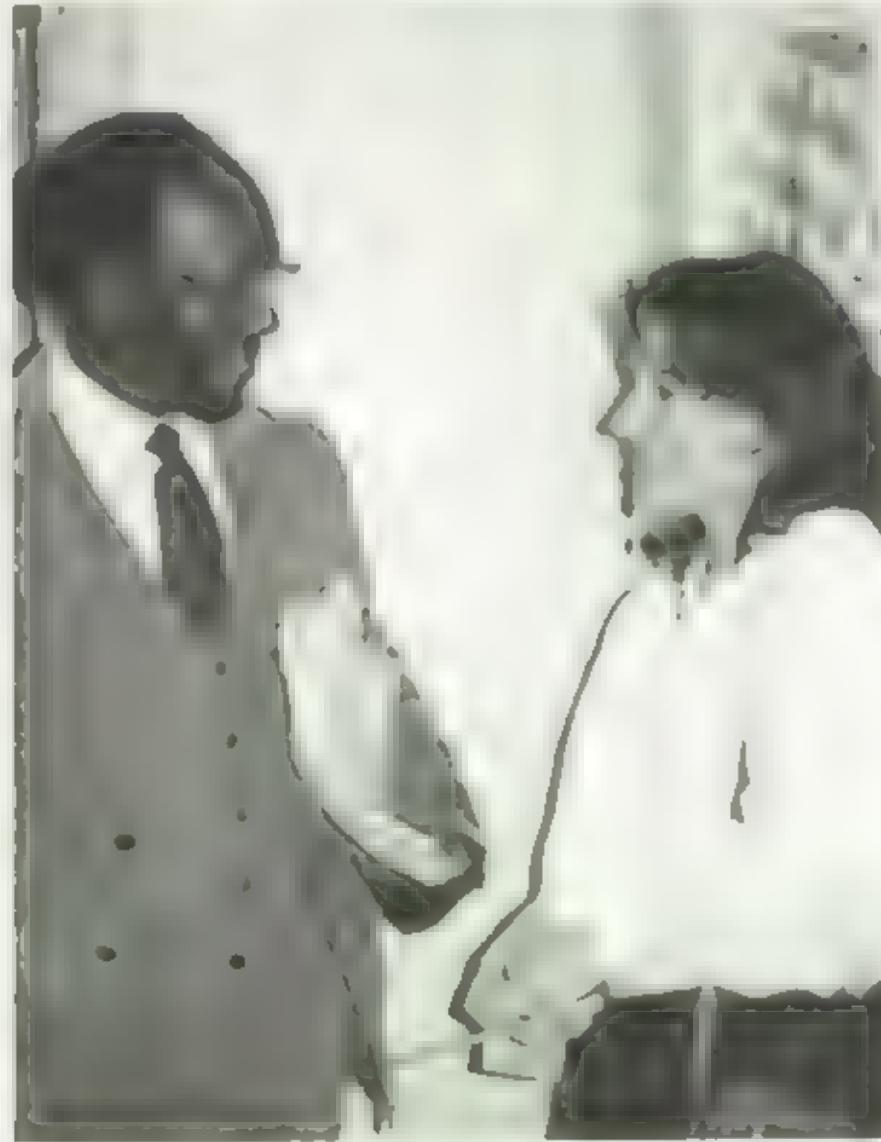

TO BE OR NOT TO BE THAT IS INDEED THE QUESTION Mr. Horton eagerly awaits and accepts a mere hint of an invitation from the CS English Department to lecture on HAMLET, one of his favorite works of literature

TRENDSETTERS

20-year Faculty Members

Ms. Lee, who has taught at Captain Shreve for 20 years, said, "the basic school philosophy of striving for excellence has not changed." She has taught world geography, world history, American history, and one year of civics.

Ms. Lee sponsored Z Club and Youth in Government. When asked why she sponsored Z Club, Ms. Lee said, "Z Club's motto was 'growth through service,' and I wanted to help our students experience the fun and rewards from serving others." Ms. Lee believed Youth in Government would help students become more involved in Louisiana's government while they were still in high school. This would perhaps cause them to be more involved in the government when they were older and possibly change Louisiana's image.

Dr. Mary Ann Shaw began teaching at Captain Shreve six years ago. Dr. Shaw recently returned to school and received her doctorate. Dr. Shaw said that pursuing a Ph.D. in English allowed her to study literature and rhetoric, which were special interests of hers. "I enjoy the challenge of academics and the rigors of research," Dr. Shaw said was another reason for getting her Ph.D.

Dr. Shaw taught English at Captain Shreve and also part time at LSUS. By teaching in both high school and college Dr. Shaw said, "I am presently experiencing the best of all possible worlds."

Mrs. Valore had been a librarian at Captain Shreve for twenty years. She was Shreve's first librarian. She said, "I enjoy being a librarian because I enjoy working with students." When asked why she wanted to be a librarian, Mrs. Valore said, "It was my first job opportunity, so I took it, and so far it's just gotten better and better."

Mrs. Valore was asked how she felt the library had changed, and she said, "It has gone from bare shelves to having to add three additional shelves to hold all the books." The library had also extended from magazines and books to audio/visual equipment. The number of books had also increased from scarce to 25,000. Mrs. Valore played a significant role in the growth of Captain Shreve's library and contributed to its success.

The 1986-1987 school year represented the 20th Anniversary of Captain Shreve High School. Only seven of the original teachers in 1967, the year Captain Shreve began, were still teaching in 1987. Through the years these teachers have watched Shreve develop into the superior school it was in 1987.

Over the years Captain Shreve started and continued many activities that have become a part of tradition, and new traditions were started annually. During the 1985-1986 Basketball season, the first Basketball Homecoming was held, and during the 1986-1987 Football season a bonfire pep rally was held, starting off two new traditions.

Captain Shreve's first teachers lacked many of the technological wonders of 1987. Through the past 20 years computers have slowly crept into the classroom, and were widely used at Captain Shreve by both the students and the staff. Teachers recorded grades, created tests, and organized their plans by computer, and the counselors kept track of each student's schedule by computer. Without the help of computers, Captain Shreve could not carry on.

From 1967 to 1987 the crowds that filled the halls and classrooms of Captain Shreve increased. Along with the large crowds of course, came spirit. This spirit was shown at the many pep rallies, football games, basketball games etc. Each student at Captain Shreve had his own individual style and pride which was reflected upon Captain Shreve. The excellence at Captain Shreve has increased since 1967 but without the help of the students and faculty this would not have been accomplished.

In addition to the hot line and sandwich line, the cafeteria staff added a new item this year-a salad bar! This salad bar contained everything from croutons and chun king noodles to turkey, to top one's salad. Often one would also find baked potatoes with all the trimmings.

The salad and potato bar went over well with the students. Many enjoyed the salad bar because it is a fast-moving line, while others enjoyed it for the low-calorie benefits. Regardless of taste this was an exciting new addition.

The 1987 Captain Shreve LOG would like to express their special thanks to the following Gator contributors. Through their generous contributions, the abundance of color, within the Senior section, was made possible for this special 20th edition of the Captain Shreve LOG.

Coach Hedges Makes Hall of Fame

Coach Hedges made the Louisiana High School Hall of Fame this year. This honor was bestowed on him because of his winningness in coaching high school football. According to Coach Hedges, "I'd still be playing, but coaching was the next best thing." Being his humble self he acclaimed all the glory and honor to the support of many players, coaches, principals, and most of all his wife Nell. Coach Hedges now only coaches tennis. He compiled a 216-92-10 record during his 28 year football coaching career at Byrd, Woodlawn, and Captain Shreve. He played football, basketball, and baseball at Fairpark in the 1940's and received All-District, All-State, and All-American honors in Football. Coach Hedges was not only a coach, but also a friend to his players. He was almost like a second father to some in and out of the classroom. On behalf of the Captain Shreve Gators, CONGRATULATIONS and Thank you.

The 1986-87 season was typical of the Gators. We fared well despite the loss of many outstanding senior players of the previous season. West Monroe, Woodlawn, Airline, and Ruston were responsible for our 8-4 record. West Monroe being an old rival, we've always had trouble with them. Ruston, who knocked us out of the state playoffs, went on to the state championship, and Woodlawn was runner-up in their district. Airline fell short in our district race and came up in an embarrassing third place after a very successful season. Some of the highlights of this season were the defeat of the Bossier Bearcats, and a one point victory over Southwood in our first playoff match. This was a winning season, just like the past seasons have been and the domination in football shall continue.

1986-87 SEASON

In the twenty years of football at Captain Shreve, the Gators have had only one losing season, which was in their first year, 1968. Following this losing season, the Gators have prided themselves in a winning tradition. Also, the Gators have never lost a Homecoming game. The Gators have, in their twenty years, made the play-offs thirteen times and have displayed a 14-13 record in them. In the 1973 football season, the Gators not only made the play-offs, they made the state championship game and walked away victorious. Overall, in twenty years, the Captain Shreve football team has kept up its winning tradition and made its fellow students proud to be Gators.

One of the driving forces behind the Gators success last season Brian Williams (no. 10, quarterback), passes from the shotgun position

Going for a first down and ever closer to the goal line Levi Brown (no. 2, running back), is one of the Gator's top rushers

The Gator defense, led by the defensive line and linebackers Trey Cox (no. 51) and Jason Beach (no. 52), prepare to destroy the enemy.

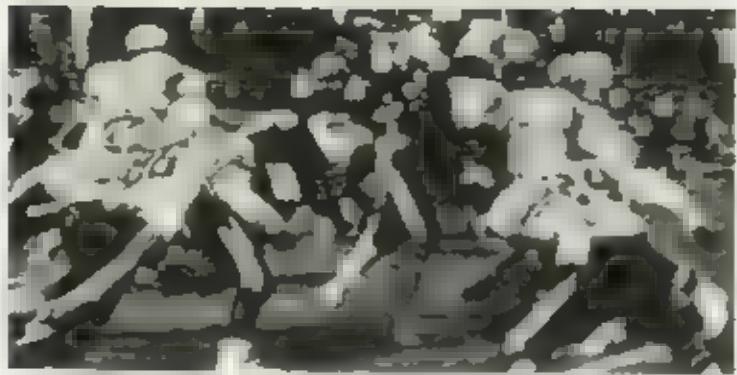

SHREVE 20 FAIR PARK 18

Captain Shreve gained its first victory of the 1986-87 season at the expense of the Fair Park Indians. The win was warmly welcomed by the Gator fans, having followed a loss to West Monroe the previous week. The game began to get close in the fourth quarter, but "We just had to win . . .", as Head Coach Alden Reeves said, and we did.

Shreve controlled the scoreboard for the first three quarters, with touchdowns by Avery Washington in the first quarter, Mike Stockton in the second quarter, and one by Levi Brown in the third. Meanwhile, Fair Park was just entering the game, with one touchdown in the third quarter, and two in the fourth. But Cary White, our kicker out scored Fair Park on extra points, thus edging us ahead for the win.

SHREVE SOUTHWOOD

Down goes the Southwood runner when senior Charles Demery tackles to give Shreve possession of the ball.

Piling more and more yards onto the Southwood defense is junior Kevin Cash, who received a pass for a first down.

Captain Shreve's archrival Southwood left the field in defeat after our close victory. Southwood had the statistical advantage, yet Shreve had the numbers where they were needed-on the scoreboard.

It looked like Southwood would pose no threat after our 14-0 lead at the end of the first quarter. Brian Williams completed passes to Jerry Green and Avery Washington for those points, and Cary White kicked both of the field goals. But Southwood came back at before the half with two touchdowns of their own, making the score 14-12. Jerry Green's touchdown in the third quarter and Cary White's kick put us over the Cowboys for the final score.

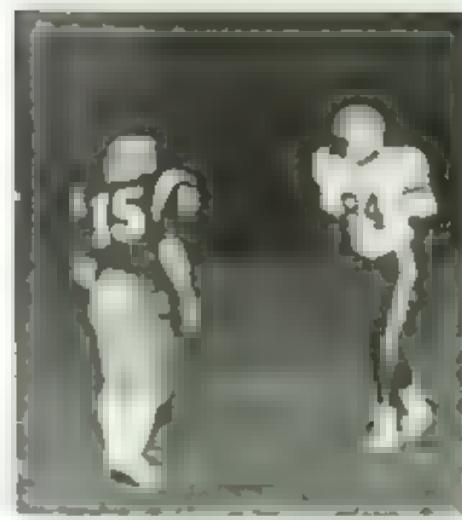

This is a familiar scene-Gator receiver Avery Washington (no 84) escaping a Southwood defender.

Yet another Southwood runner goes down, this time at the hands of senior Scotty MacCallister (no. 7).

Successful once again the Gator defense holds Airline to give the Shreve offense the ball

SHREVE AIRLINE

The Gators suffered a very sore loss at the hands of the Airline Vikings. Although we lost, quarterback Brian Williams (no 10) threw some beautiful passes and our offensive team got a pretty good workout.

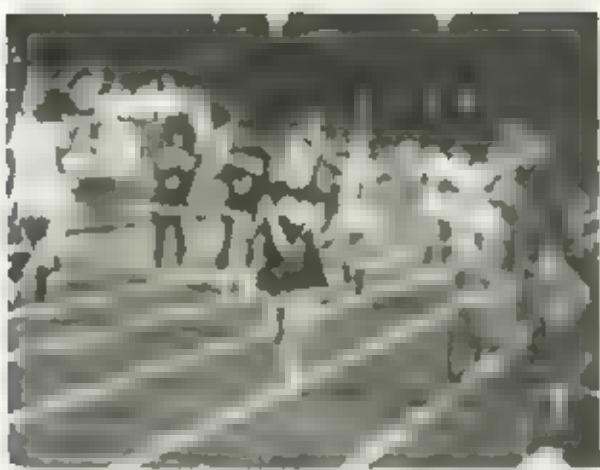

With touchdowns by Avery Washington (no 84) in the first quarter, and by Jerry Green (no 24) in the second, Shreve trailed by one point with three minutes left in the game. It was fourth down on the Shreve thirty-three yard line with twenty-six yards to go for the first down. The Gator offense appeared to be finished, but Brian Williams decided to try a deep pass to Avery Washington down the sideline. The pass was there, but coverage was tight and Avery couldn't get both hands on the ball and only tipped it-right into the hands of Gator Glen Lohman (no 21). Lohman caught the deflection and ran with it for a sixty-two yard gain. This incredible play led to another touchdown by Jerry Green, but the Vikings edged us out with another touchdown with only seven seconds left.

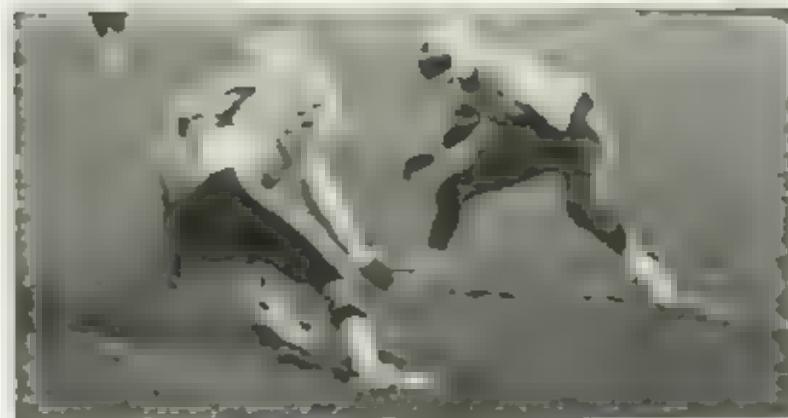

On the sidelines are Glen Lohman (no 21) and Brian Williams (no 10), the two major components of the game saving sixty-two yard reception and run

Looking on from the sidelines are Gators Chris Boyd (no.34), out with knee injury, Jay Young, suffering from an injured collarbone, Marlin Johnson (no.43), Tonique Williams (no.47), and Darren West (no.29).

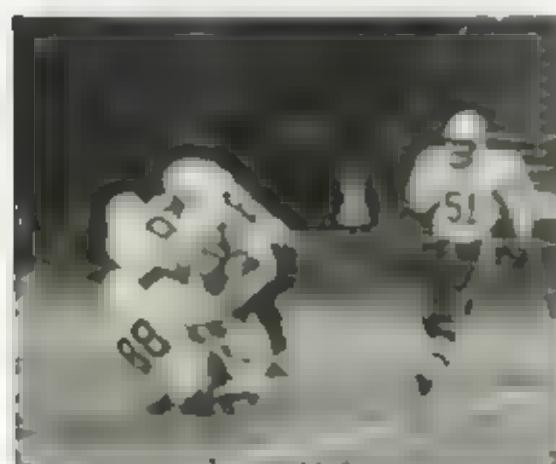

The Gator cheerleaders from last year came to help lead the cheers at Shreve's homecoming.

The Green Oaks kickoff reception is stopped short by senior Levi Brown (no. 2) while others bring one of Shreve's star rushers down paydirt.

Seen in action here is the Gator defense, which holds the Green Oaks offense to only fifty-three yards of rushing. This qualifies to be one of the defense's best games so far this season.

Snapped short at a first down by Gator defensive end Cole Dollar (no. 88), and Patrick McLaurin (no. 5). Green Oaks is forced to give Shreve possession of the ball.

SHREVE	28
GREEN OAKS	14

Shreve's new homecoming adversary fared just like all the rest—unsuccessfully. This victory was attributed to the defense by head coach Alden Reeves because it held Green Oaks to only fifty-three yards of rushing.

Shreveman Levi Brown (no. 27) scored the first touchdown of the game for the Gators, yet at the end of the first half Green Oaks led 14-7. But the Gators were far from out of the game, and the second half saw a complete turnaround. Shreve was leading 20-14 after touchdowns by Brian Williams (no. 10), and Levi Brown. Green Oaks began to get really serious and drove the ball down to our nineteen yard line after our kickoff. The defense came through again, and the Giants lost the ball, and Shreve drove all the way down the field to their eight yard line and lost possession of the ball. But in a spectacular play Roderick Frierson (no. 44) intercepted a pass on the Giant's ensuing drive and ran it in for a Shreve touchdown, thus sealing the Gator victory.

SHREVE BOSSIER

18
9

The Gators entered the district playoffs for the eighth season in a row, following the conquest of the Bossier Bearcats. This win was especially sweet for Captain Shreve because in the previous season, the Bearcats beat us, which eliminated us from the playoffs. "Our kids played with a purpose . . . ", quoted head coach Alden Reeves on the intensity of the team.

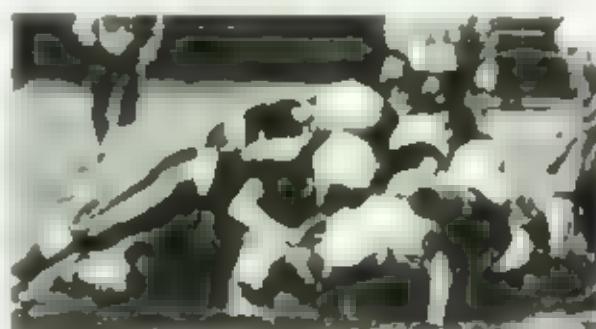

The first quarter saw Shreve trailing by seven, but each of the following quarters the Gators pushed for a touchdown, and allowed no additional points to the bearcats, except a safety near the end of the game. Our touchdown in the second quarter by Avery Washington (no.84) was the direct result of a fabulous sixty yard run on the previous play by Jerry Green. At the half, we changed into new solid gold uniforms, to give a better contrast to the muddy field. Gator defensive man Tim Harris's interception of a Bossier pass in the fourth quarter was the beginning of the end for the Bearcats. Following it, Brian Williams threw a picture perfect fifty yard touchdown pass to Jerry Green. Then when Bossier could have scored, Jerry Green intercepted the pass, then ran for a final game capping touchdown for Captain Shreve.

Out of the pocket, quarterback Brian Williams (no.10) looks for one of his receivers, and finds Jerry Green (no.24) wide open fifty yards away in the end zone.

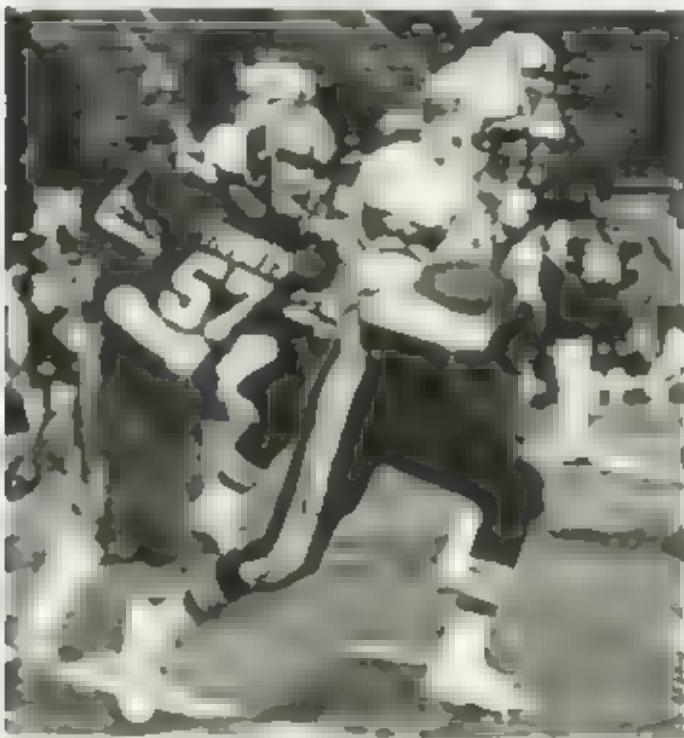

Gator running back and defensive back Jerry Green race around the side piling up more yardage.

Underneath this pile is a Bearcat, who had the ball until he was crushed by the Gators defense.

This pass from Brian Williams finds its way into the hands of Avery Washington, who is running fifty-two yards to the end zone.

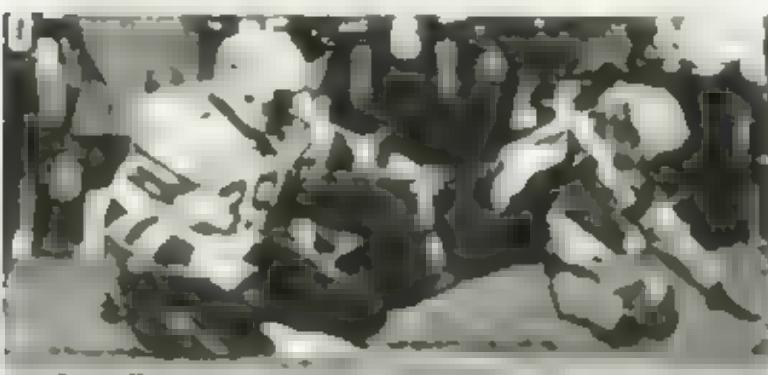

Marching for the first down goes Gator running back Jerry Green who did not score a touchdown, but was very instrumental to the Gator victory.

Defensive gaurd number '39' Isaac Caldwell takes down the cowboy with the ball, stopping him short of a first down.

SHREVE	17
SOUTHWOOD	16

Once again, archrivals Captain Shreve and Southwood met on the field of football, and once again Shreve goes home victorious. The first half of the Gator's first state playoff game was controlled by Southwood, but Shreve went back to the locker room, and decided that they needed to win, and did just that.

In the third quarter, Shreve got on the boards with a beautiful fifty-two yard pass from Brian Williams to Avery Washington. Then on a following drive, Cary White kicked a thirty-one yard field goal narrowing the margin. Finally in the fourth quarter, Washington received another pass in the end zone from Williams which put us over Southwood for another victory.

The Gator team is ready for a most formidable opponent-third ranked Ruston

SHREVE	7
RUSTON	28

The Gator's second state playoff game ended in defeat at the hands of the powerful Ruston Bearcats. The Gators played a very good game, but not good enough to defeat third ranked Ruston. "Captain Shreve came ready to play and did an excellent job, especially in the first half", commented the Ruston head coach on Shreve's performance.

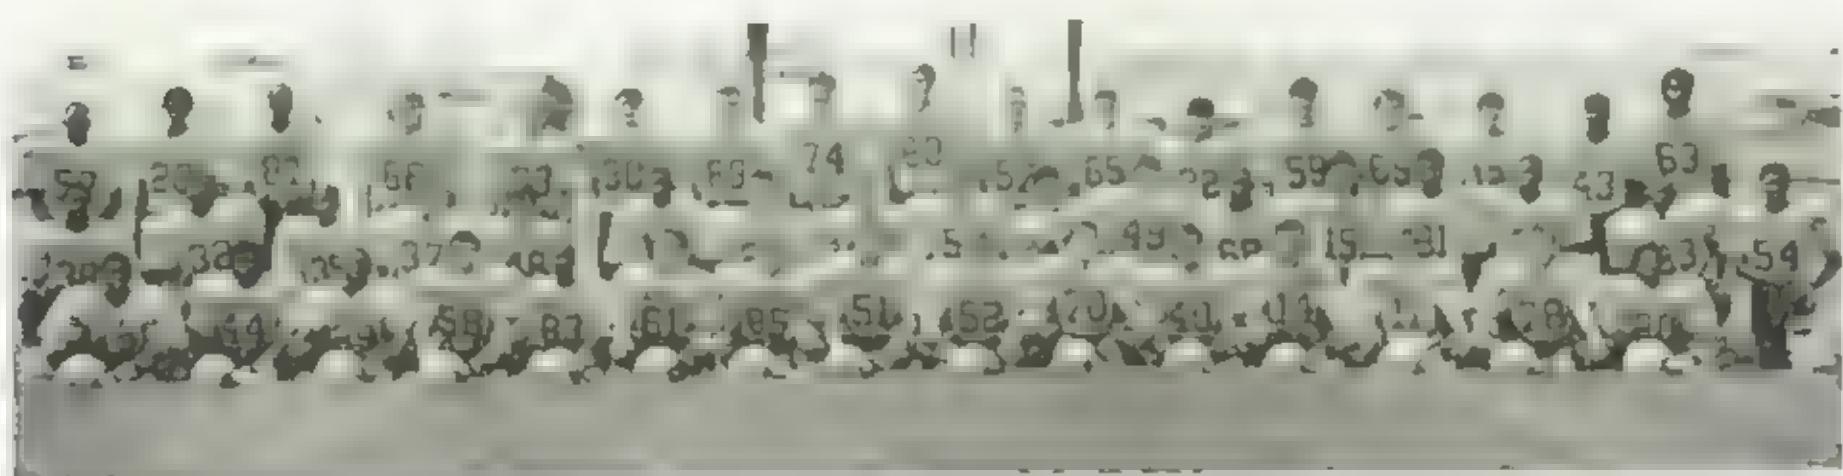

Although Ruston dominated the scoreboard until the last quarter, Shreve did not give up without a fight. In the second quarter we drove the ball to their five yard line, but two penalties put it on the thirty-two. Eventually Ruston intercepted a pass, but it was recalled for pass interference and the Gators started up again. But the ensuing drive did not lead to a score. Later on in the fourth quarter Shreve drove down to the Ruston three yard line, and Jerry Green (no 24) went over the top for the touchdown, but it was recalled for a penalty. Shreve's next drive ended in a spectacular fifty-five yard reception in the end zone by Glen Lohman (no 21) from Avery Washington (no 84). This finally put Shreve on the board. Cary White (no) kick the extra point, giving us our final score.

CAPTAIN SHREVE BASKETBALL TEAM

Under the coaching of David Boydston the 1986-87 Gator basketball team worked hard to again achieve themselves as a winning team this season. The team practiced relentlessly in order to gain that extra edge on the court. This year's team along with it's natural talent, had the experience needed to work together as a team. By pulling the versatile talents among the players, the team secured themselves a victorious season.

When asked about the team's winning season, Coach Boydston replied, "We have played real well up to now, probably because we have players that can really play ball and contribute their best." In summing the team up, skill, speed size, and dedication were the key components in this year's winning season.

GATOR VICTORIES

The Captain Shreve-Loyola rivalry had been going on for years. One of its prime manifestations was the basketball games that pitted the school teams in heated battles. Shreve students supported the team with spirited cheers and chants. Because of the rivalry between Shreve and Loyola, this game had one of the largest spectator attendances for the season.

The large, spirited crowd evidently "psyched up" the Gator players because this game against the Loyola Flyers was a win. The game plans of the Gator's were well executed, securing a Shreve win.

Captain Shreve's win over Byrd was a well-deserved victory. Shreve was determined to make this game a win and they did. The team exhibited determination on defense and initiative on offense during this game. On court the team worked like a "well oiled machine" securing yet another victory.

This year's Junior Varsity team was composed of players with a lot of natural talent. The J.V Gators practiced diligently in order to establish themselves as a respected and victorious J.V basketball team. The hard work paid off because it secured them the successful season the team strived for.

Under the guidance of Coach Andrew Collins, the players learned the discipline it takes to be winners. This successful J.V team can assure Captain Shreve another winning varsity team for next year.

The Freshman Team was at some what of a disadvantage because being freshman it was their first time to work together. But the player's were determined to become a successful team. So the team pulled together all of it's resources to become a winning squad

Under the coaching of Doug Hedges this new team worked hard to be the best they could. This year the freshmen team learned to strive to be the best for the future

The Lady Gators' determination and dedication carried them through their season with a positive and spirited attitude. Assertive in their efforts, the girls put forth their best in every game. In practice the girls took it all very seriously and the dedication proved to be worth while. Ms. Valinda Wolfe, coach of the Lady Gators said, "The team this year was composed of more athletes that are versatile, experienced, and compatible."

According to Coach Wolfe, "Our size was a disadvantage again this year, but that didn't bother the girls. They were determined to play aggressive ball and win more games. They received two trophies early in the season and had won more games before district than they won the whole season the previous year." After being their head coach for two years Coach Wolfe replied, "As a coach, I really enjoy this team, because they get along well, support each other, and play well as a team."

The Lady Gators represented Captain Shreve royally this year in tournaments and district games. In addition to doubling last year's wins they brought home three trophies. The time and effort put forth by the Lady Gators definitely paid off this year and made Captain Shreve proud.

The starting five was dominated by seniors. Jennifer Powell's quick anticipation up top was teamed with Carla Brown's fancy dribbling and passing. Complementing the team with them was Jodie Bois with her smooth shot and a master plan developed by Coach Wolfe. By combining the abilities above with the essential talents of the rest of the girls, there was a team packed with spirit and determination to win.

A Gator Hit

The 1987 Baseball Team, under the direction of Coach Alden Reeves and Coach Clarence Conway, was outstanding. The players practiced hard in anticipation of a winning season. With the returning letterman playing, the team had a strong foundation. All the players hoped to lead the Gators to a championship in 1987.

CROSS COUNTRY SHOWS EXPERIENCE

The 1986-87 Cross Country team worked hard to have an excellent running year. Led by returning members Ricky Carroll, Mark Bain, Brian Nesbitt, and Jon David Hague, the Cross Country Gators competed well in area and state meets. With the experience and guidance of Coach Martin Poole, the running Gators kept up the winning tradition.

TENNIS TEAM KEEPS UP A WINNING TRADITION

The 1986-87 Tennis team had a successful year under Coach Lee Hedges. Returning to lead the Gators were Brian Nesbitt, Jeffrey Payne, Jennifer Heno, Beth Bain, and Katherine Chase. Outstanding newcomers were Shelly Griffen and Bo Hooper. Both girls and boys competed in many area tournaments and helped keep the Gator winning tradition alive. The Captain Shreve Swim Team was a branch of COSST (City of Shreveport Swim Team). This year's three team members, David Scates, Amy Lockard, and Katherine Pringle, have competed in many meets across the nation. David competed in the All Stars in Florida, Amy competed in the Junior Nationals in Florida, and Katherine competed in the Senior Nationals in California and the Olympic Festival in Houston, Texas. In 1986, COSST placed 3rd in the Louisiana State Championship meet in the short course and long course. They also participated in a national fund raiser for United States Swimming called the Swim-A-Thon. The three team members all practice three days a week before school in place of their PE class and five days a week after school. They also practice Saturday mornings. The Captain Shreve Swim Team competed well this year and helped keep up the Gator winning tradition.

GOLF: A WINNING GATOR TRADITION

The 1986-87 Golf team had another outstanding year, led by new golf coach, Ronald Hayes. Many of the golfers appeared in summer tournaments throughout the country and all fared well. The returning golfers included Gerald Adams, Cliff Cook, James Hunter, Craig Webb, Russell Adams, and Chris Bianca. The new team member was Greg Noschese.

The 1987 Gator Track Team

Under the direction of Coach Martin Poole, the 1987 Track Team had expectations of a promising team, like the 1986 District Championship Team. This year they were to rebuild in sprint events and were strong in distance and middle distance events. Ricky Carroll and Mark Bain were the top two distance runners in the city. Lemark Carter and Michael Smith were showing promise for this year in jumping events. Levi Brown was a top sprinter. Weight duos David Broussard and Gerry Mullins were picked to lead in the field events of shotput and discus.

What Cheerleading is Really About!

You might think all cheerleading was about was jumping around like a crazy person and running around like a chicken with his head cut off. Well, it was that and much more. Cheerleading was fun, but when you've committed yourself to this task, it became very much of an honor. It meant the school and various teams you cheered for became dependent on you for that, "Hey, I can get through this game if only I had that little extra boost." It meant when you were in your uniform, you represented your school wherever you went.

We the 1986-1987 Cheerleaders of Captain Shreve, would like to share with you, the students of Captain Shreve, just what we thought cheerleading was all about

Holly Roe — "As a cheerleader, I must have a positive attitude toward the hard work and responsibility that is expected of me. I must have perseverance to accomplish the squad's set goals. The main goal being to raise school spirit at all times and boost the teams' morale. I feel the 86-87 cheerleaders have accomplished this amazing feat to the best of our abilities. I know each one of us will cherish our fond memory of the wonderful privilege of being a Captain Shreve cheerleader."

Jill Thomas — "Cheerleading wasn't just jumping around in a cute uniform. It was supporting the athletes and boosting the students' spirit. We tried to make everyone share in school spirit."

Carla Daniels — "Sharing and caring were the main aspects of the 1986-87 Cheerleaders. In my opinion being a cheerleader was a great honor. I will always treasure the 1987 year."

Mimi Newstadt — "Cheerleading for me meant learning, growing up, and establishing new friendships. Cheerleading this past year was a lot of fun and I couldn't imagine what my senior year would have been without it."

The sponsor of the cheerleaders was Ms. Kathy Hamilton. Ms. Hamilton endured the whole year with the cheerleaders, which was not an easy task. She attended the cheerleading camp with them and all of the competitions. She was a tremendous help to the Cheerleaders of '87.

COMPUTER CLUB

The Computer Club provided an opportunity for students who shared an interest in computer technology to share ideas. The majority of members were either in computer science or computer literacy classes, but anyone interested in computers was welcomed to join.

Under the leadership of Coach Martin Poole, the club learned many things about the computer and its applications.

The 1986-1987 Computer Club officers were President, Coty Rosenblath, Vice President, Chris Boyd, Treasurer, Pam Parker, Secretary, Rob Blackadar.

Under the supervision of Mrs. Gaye Gannon, the 1986-87 Enterprise staff worked hard at keeping Captain Shreve students informed on a wide assortment of current events.

They published many papers during the school year, which all contained articles and pictures on everything happening in and around Captain Shreve. They accomplished many things during the year. One was producing an outstanding paper.

The 1986-1987 Enterprise Officers were Editor-in-Chief, John Petty. Assistant editors, Donna Kirk, Wilbert Pryor, and Jill Thomas.

YOUTH AND GOVERNMENT

Youth and Governments' purpose was to enhance the development of the American Democratic System. The students prepared themselves for moral and political leadership through training in the theory and practice of determining public policy. This was developed through YMCA high school clubs. The young people in this unique club studied issues, debated policies, wrote legislation procedures, and studied formal and informal government structures.

The 1986-87 Z Club of Captain Shreve offered many services to the school and community during the year.

Throughout the year, Z Club members visited the nursing home once a month. The club also sold Christmas stockings filled with cookies and candy.

Z Club, sponsored by Ms. Georgia Lee, was composed of over fifty girls all being either sophomores, juniors, or seniors. Once again the Z Club was another example of a fine service club at Captain Shreve.

The 1986-1987 Z Club officers were Amye Cook- President, Jennifer Myatt- Vice President, Jennifer Moore- Secretary, Lori Perry- Treasurer, Paige McDaniel- Service Chairman, Kendall Gilmer- Chaplain.

WHO'S WHO AT

(Left Right) **Coty Rosenblath, Beth Bain, Brian Williams, Havard**

CAPTAIN SHREVE

Lyons, Keven Barber, Carranza Pryor, Derek Duncan

WHO'S WHO

Who's who was chosen a little differently this year. The candidates were judged on character, by their teachers, then the rest of the selection was done purely objectively. The candidates were chosen on their outstanding merit in scholarship, character, leadership, and service. The seven seniors chosen were Coty Rosenblath, Beth Bain, Brian Williams, Keven Barber, Carranza Pryor, and Derek Duncan.

Havard Lyons, son of Mr. Charlton Havard Lyons III and Ms. Melinda Roemer, was a member in Drama Club, Latin Club, Science Club, French Club, National Honor Society, Great Books, Thes-

pian Society, Chemquest, Academic Decathlon, Mu Alpha Theta, Optimist Club, Youth in Government, and Great Books. He participated in rallies representing World History, American History, and English III. He received several awards in Science Fair Competition including regionals and state. He was a Student Council Senator and voted as outstanding Senator-at-large and later became Student Council Vice-President. Havard represented Captain Shreve at Pelican Boys' State and was elected as Federalist Party Chairman. He also served as a newspaper columnist and as AL E. Gator.

Coty Rosenblath, son of Mr. and Mrs. Henry Coty Rosenblath, was a member in Junior Classical League, Academic Decathlon, Honor Society, Mu Alpha

Theta, Science Club, Quiz Bowl Team, Operation Child Search, Great Books, Computer Club, Youth in Government, and FCA. He represented Captain Shreve in district rallies in English I, Civics, English II, World History, and Biology II. Coty was a representative to Pelican Boys' State, where he was outstanding representative in the House of Representatives. He participated in the state rallies in English I, World History, and Biology II. He was a two year letterman in both track and football, and received All-Academic Football Team two years

Keven Barber, son of Mr. and Mrs. Lewis P. Barber, was a member of Key Club, a Student Council Representative, FCA, Spanish Club, National Honor Society, Mu Alpha Theta,

Computer Club, and SPAR Youth Council. He represented Captain Shreve at Pelican Boys' State and was editor of the LOG. He was chosen as ELKS Student of the Month, junior class Vice-President, senior class President, and on junior Prom Court. Keven was a three year letterman on the football team where he received All-District, All-City, All-Caddo-Bossier, and All-Academic honors his junior and senior years. In addition, he received All-State Honorable Mention and All-State Academic his senior year

Beth Bain, daughter of Mr. and Mrs Hoyt Bain, was Girl's Vice-President for four years. She was a member of the LOG staff, Astra Club, Latin Club, FCA, Science Club, Drama

Club, Computer Club, and Youth in Government. She was a Student Council Representative and a Student Council Senator. Beth was also a representative to Pelican Girls' State, where she was elected as outstanding Mayor of Girls' State. She was a member of the Tennis team, where she was state doubles champion and All-American her senior year. Beth was a Junior Prom Court member and was selected to Homecoming courts all four years in school, while being selected as queen her senior year.

Carranza Pryor, son of Mr. and Mrs. Wilbert Pryor, was a member of Captain Shreve's Quiz Bowl, National Honor Society, Latin Club, Academic Decathlon, and Science Club. He was a Student Coun-

cil senator and his senior year he was Student Council President. Carranza was sophomore and junior class President. He received the Hugh O'Brien award and was a delegate to Pelican Boys' State where he was elected Governor and President of the Senate. He represented Captain Shreve in rallies involving Biology I, World History, Chemistry, Biology II, American History, and Latin. Carranza was also selected as the DAR recipient, ELKS student of the month, Channel 6 Hero of the week, and he also achieved status as National Merit Semi-finalist. He is also a member of the Parishwide Advisory Board, and Operation Child Search. Carranza was also a member of the Freshman Basketball Team.

Brian Williams, son of Dr and Mrs. James P. Williams, was a member of Latin Club, FCA, Key Club, National Honor Society, and Mu Alpha Theta. He was elected

as Student Council Senator and his senior year was Student Council Treasurer. Brian was also a delegate to Pelican Boys' State. Brian represented Captain Shreve in rallies in Algebra I, Geometry, Biology II, and Algebra II. Brian was selected as ELKS Student of the Month and a scholar athlete to the National Football League Foundation. He participated in varsity track, basketball, and football. He received ALL-District in football his junior and senior years. During his senior year he received All-City, All-Caddo-Bossier, All-Academic, and All-State Academic.

Derek Duncan, son of Mr. and Mrs. Les Duncan, was a member of the Band, Science Club, Drama Club, Latin Club, National Honor Society, Great Books, Thespian Society,

Youth in Government, Chemquest, Academic Decathlon, Great Books, Mu Alpha Theta, and computer club. He also served as a Student Council Senator. Derek represented Captain Shreve in rallies including English I, Biology I, English II, English III, and Biology II. He was also a delegate to Pelican Boys' State.

HOOTENANNY

"BAD MOON RISING"

Homecoming was a extraordinary event. Falling on Halloween, Homecoming had some extra excitement added to it. Traditionally, Ms. McCalla crowned the queen Beth Bain. Pelican State

Carranza Pryor-Boys' State Governor

At the end of the 1985-86 school year, the combined efforts of the student body, teachers, and the American Legion selected four girls and eight boys to represent Captain Shreve at the annual Pelican State convention held on the campus of Louisiana State University in Baton Rouge. Each representative spent an eight-day week performing the operations of the 51st mythical state. Everything possible for city elections, parish elections, and state elections was pushed into this fun filled, hectic week. The Pelican State experience was something that will not be forgotten, along with the famous "MUSTER".

Boys' State delegates include — L-R: Havard Lyons, Todd FitzGerald, Carranza Pryor, Brian Williams, Chris Boyd, Keven Barber, Derek Duncan. Standing: Coty Rosenblath

Girls' State representatives included: (L-R) Beth Bain, Tracy Day, Nancy Googe, Holly Roe

This year, Caddo Parish Schools began classes on August 19th, about a week earlier than the year before. The Louisiana Legislature proposed a bill that would allow classes to begin after Labor Day; however, the bill didn't pass. It was argued that the Louisiana students needed as many days as possible, but many would have liked the extra days added on to the end of the year instead of the beginning.

On August 1, 1986, Shreveporters began to buckle up. The state legislature passed a law that required everyone in the state to use their seatbelt when driving or riding in the front seat of a car. The law was passed to decrease the number of deaths on the highway and has worked well so far. Most agree that the law is a good one and have started buckling up. For those who didn't, a policeman waited down the road to give them a \$25 fine.

Fewer students and more economic problems hurt Louisiana's college enrollment in the 1986-87 school year. Enrollment was down more than 7000 students from the year before. Adding to the schools' problems, state budget cuts had forced the increase of tuitions, putting college costs beyond the limits of many people. Many students sought scholarships or financial aid programs to help them meet the high tuition. Others hoped to find campus jobs to help them through college. Because of the state's economy and increased tuition, the decreasing number of students was expected to continue through the early 1900's.

The 11th annual Red River Revel on the riverfront was a smashing success. The theme for the celebration was "Louisiana — Revelin' in a State of Art." Some of the major attractions were the fine wood work displays, the lively bands, and everyone's favorite, the food booths. Another major feature of this year's Revel was the Children's Exploratorium, which taught children about computers. Many members from the different service organizations participated in the Revel activities by painting faces, working in the Children's Exploratorium, and giving tours. Even though the weather was miserable, the Revel attracted more than 32,000 people.

No matter how old you get, it's hard to outgrow the craving for a cool sugary treat. New and more modern yogurt and ice cream parlors were opening all the time. Some of the favorite spots around the Captain Shreve campus included 'Tsyogurt, Swensen's, and the Marble Slab Creamery

Yogurt was one of the newest attractions for people who enjoy sweet treats. It became so popular because it offers all the pleasure but none of the guilt that you would receive from eating ice cream.

The fitness scene was here — new fitness centers and health spas were opening all over the city. Some places that were popular with students were Body Express, Fitness World, Ichiban, Figure World, and Sports City.

"I go to Figure World as often as I can. It's fun because lots of my friends go too," commented Lisa Miller.

The most popular type of exercise with students seemed to be aerobics. Some people liked to do aerobics with a group at a health center, whereas some liked to do aerobics by themselves at home. For those students who were interested in doing aerobics at school, an advanced P.E. class was offered this year.

One of the most emotional and disputed issues faced by the public of Caddo Parish in 1986-87, was the proposal of sex education in Caddo Parish Schools. Many people felt that an intelligent sex education program would help the community, whereas others felt the subject had no place in the classroom.

Alyce Glazer remarked, "I think sex education should be taught because there are so many unplanned pregnancies caused by ignorance."

In a survey taken of 100 students, 68% were for sex education, 30% were opposed to it, and 2% had no opinion.

When Dr. Moreland, a biology teacher, was asked what he thought about sex education, he replied jokingly, "I don't think it should be taught because I would probably have to teach it and I would be embarrassed. I'm very shy about that sort of thing."

The oil industry brought about hard times for many oil companies and businessmen in Shreveport. With the cost of a barrel of oil falling as low as 10 dollars, many oil companies were forced to lay off large numbers of employees. These layoffs caused rising unemployment in the Ark-La-Tex region. The local gas stations began competing with each other by lowering prices by incredible amounts. We paid as low as eighty-six cents a gallon.

The Shreveport blue laws, that prohibited the sales of certain items on Sundays, were finally repealed this year. This was good news for those who love to shop! On Sunday, August 31, most stores in Shreveport and Bossier opened their doors to the public, no longer enforcing the "blue laws".

"I'm glad the stores are open because Sundays are usually pretty boring, but now there is something to do," said Millicent Demint.

For many students, the weekend was a perfect time to visit a favorite restaurant. Different atmospheres appealed to different students.

"I love Superior because after a week of school, everyone goes up there and acts wild and crazy," said Mimi Newstadt

Mexican restaurants seemed to be the most favored among students. Some of the favorites around town included Superior, Nicky's, Los Amigos, and El Chico

"Taco Bell is the place to go for Mexican food because it doesn't take long to get your food," said Brian McBride.

Most students agreed that the main components of a good restaurant include good food, fun atmosphere, and quick service.

CHERISHED MEMORIES

When the Senior of '87 walked into the doors of Captain Shreve four years ago, they were nervous, alone, and uncertain of what to expect. Each person had their own ideas of what high school would be like. Through the years these strangers became friends and they shared the triumphs and the heartbreaks together.

As they entered their senior year, the days seemed like weeks. For most, Senioritis set in around the end of September and lasted until Ms. McCalla handed them their diploma (or at least until they checked to make sure it wasn't blank!).

Procrastination was the seniors' worst enemy as the end drew near. "A test? It's today? I thought it was next week!" echoed throughout the classroom on test day. Many seniors preferred talking on the telephone or watching T.V. instead of studying for their English test. For most, cramming the night before the test was habit.

As the year ended, the Senior class went their separate ways. They realized that they were no longer a whole. Each person had their own goals and dreams to follow and different ideas about the future. But the memories of Captain Shreve will be with them forever.

According to a study in the New England Journal of Medicine, smokers who ate vegetables reduced their risks of lung cancer. However, eating foods high in vitamin E was no substitute for giving up smoking. This supported the growing belief that healthy eating habits can help ward off cancer.

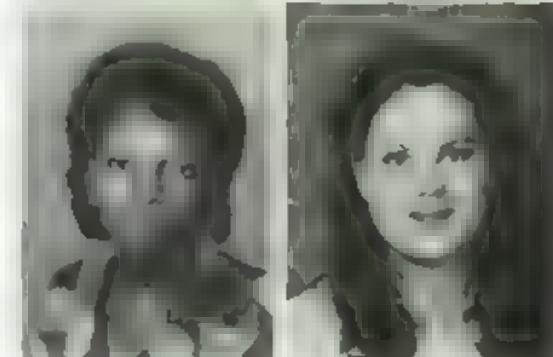

JUNIORS SAY,

Like other colleges around the nation, Louisiana colleges were costing parents and students more in 1986. According to USA Today, attending a public college was up six percent over last year. The rising cost caused fewer people to attend college because their parents could not afford to send them. As a result, students went where they could afford to go, not where they wanted to go to college.

Still, in 1986, there was a wall that separated East and West Berlin. The West German government condemned the orders to shoot given by East Germany. They felt that if people wanted to be free they shouldn't have to worry about getting shot at by the guards on the East side of the wall. Even though some of the escapes were lucky, others were not so lucky. Still, today, people try to escape from East Berlin.

In the 1950s there were more than 400,000 jukeboxes found across America. But as times changed and video games competed, the jukebox industry fell. In 1986 there were only about 250,000 jukeboxes in operation. Although there were a few changes in the jukebox it is still about the same. Some changes include laser videos, compact disks, and videotapes. Regardless of these changes, the jukebox will always be a favorite.

It seemed like every year the requirements for graduation increased. The graduating class each year never had to complete as many credits as the upcoming class did. The class of 89' had to have 23 credits to graduate from Captain Shreve. Having to complete more requirements enabled the student to broaden his knowledge. It gave him a chance to learn about something he had never considered learning about before. Although most of the sophomores felt the increase in requirements was not necessary, it would help them later in college.

POLITICIANS

On Tuesday, November 4, 1986, the Democrats regained a majority of the Senate. The Democrats then held a fifty-five, forty-five majority in the Senate. This was the reverse in the Ninety-ninth Congress when the Republicans held a fifty-three, forty-seven edge. The House continued to be controlled by the Democrats with a pick up of at least five House seats in Tuesday's election. The Democrats held a majority in both houses of Congress until 1980 when Ronald Reagan took office. The President offered his cooperation with the new Congress and said that his plans for his final two years remained the same.

Campaign week at Captain Shreve was a very hectic time, at least for the candidates! The competition began when the candidates for class officers fought for the best spot to hang their banner. Then, all during the week, one could often hear the candidates saying, "Vote for me!" Last year, the campaigns were even more competitive, as candidates tried to make the most attractive handouts. (This year, however, handouts were illegal, due to excessive littering.) To the candidates, the week seemed like an eternity. But finally, on Friday, the winners were announced and it was all over. To the winners, campaign week was worth every minute.

Spike heels were one of the many things women would suffer through for fashion. A study in USA Today revealed that 59% of American women wore them often. A majority, 51%, wore heels to make their legs appear slimmer, while 41% wore them to attract men and look taller. The study also showed that high heels were worn in the East more than in the Midwest. Also Southerners and younger women were most likely to wear heels despite the awful pain.

Any of the Captain Shreve Players would tell you that hard work and determination was required to put on the C.S. plays. Twice a year the Drama Club created unforgettable productions.

The roles for the plays were cast approximately six weeks before opening night. Practice began immediately! Each day for six long weeks everyone in the production had to be present for the practices on weeknights and weekends. The success of the plays was due to the participation of everyone involved.

This year terrorism created quite a problem for the people of the world. Terrorist attacks took the lives of many helpless victims. The murderers went unknown, but their general location on the map was suspected. The outbursts seemed to be unpredictable. They usually occurred in locations with large crowds. The killers were merciless, and they did away with whatever happened to be in their path. Security around the world was tightened, but that did not appear to stop the bloody massacres from occurring.

The Sophomore football players did not get to play much this year, but they wholeheartedly showed their spirit at the games. On the sidelines it sometimes got rather boring for them but you never saw a Sophomore sitting on the bench being quiet. They were always up giving praise to the starters, and urging them on to the goal line. They had the support of the entire Sophomore class behind them. The Sophomores showed their spirit and were proud to represent the Class of '89. Trey May commented on the Sophomores, "Next year, the Class of '89 football players will show Captain Shreve what they've got because for every amount of spirit they have, they have just as much determination."

I guess you could say fashion repeats itself! Why just the other day, Freshman Lisa Rigdon was walking down the hall with a ponytail and a big ribbon in her hair, a big shirt untucked, jeans rolled up, and penny loafers on. Now doesn't that remind us of the sixties, not that we were there, but our parents should remember.

Another one of those things was the comeback of the Beatles records, the Monkees, and just about any other top song from then. The kids nowdays are just as enthused about these groups and songs as our parents were when they were our age.

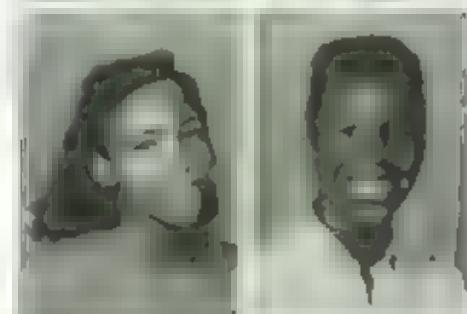

WE'VE ONLY

Quick, what is the real name of a poet who goes only by the initials H.D.? Students at Captain Shreve faced hard questions like that one each week because of their link with the Cover Maker computer quiz. This program was sponsored by Time magazine and IBM. The school was among 50 piloting the program last year, and Shreve scored highest in the nation, winning a \$1,000 prize and a mention in a issue of Time magazine

Sparks of excitement lit the sky from the bonfire at Scopena Plantation Wednesday, November 5, 1986. Captain Shreve Gators gathered around a huge bonfire and screamed cheers as they got ready to face Bossier High School November 7, 1986. This excited crowd anticipated a victory over Bossier High School, which would either mean a share of the district title or the end of season.

Homecoming was a new and exciting experience for the freshmen class. It was a lot different from the dances in Junior High. Most of the freshmen were a little uncomfortable and didn't exactly know what to do. "Homecoming was a great and new experience!" exclaimed Maya Farmer, a freshman at Captain Shreve this year. Other students like Sara Miller said, "It was a lot of fun, but it wasn't exactly what I expected."

Homecoming was an experience for all of us, from Freshmen to Seniors. It was a time to get with your friends and be with your date.

Freshmen of '87 eagerly looked forward to whether or not they would get their license. For a freshman it was a "BIG DEAL." Getting a driver's license meant you finally had responsibility. You could now go and do things on your own, without the consult of parents. You could now go out on dates. That was a big deal to a freshman.

Another big controversy was whether or not they were going to change the driving age. For most of the freshmen it meant another year (or two) of waiting before you could get your drivers license. "This made a lot of people angry and didn't help anything," said Melissa Smith. "What was another year going to help? At the age of fifteen most of us were responsible enough already — to handle it," said Mike Johnson

The top ten movies recorded at the beginning of September, 1986 are listed below "Top Gun", "Stand By Me", "The Karate Kid, Part 2", "The Fly", "Nothing In Common", "Aliens", "Ruthless People", "Back To School", "The Men's Club", and "Ferris Bueller's Day Off". "Top Gun" Of this date has made \$144 million. The estimated production cost of this movie was \$18 million dollars. "The Karate Kid, Part 2" followed "Top Gun" in making \$106.3 million. The production cost was also \$18 million. As you can see popular movies usually cost millions of dollars to produce. Are any of these listed top ten movies still popular today?

We, the editors of the 1987 LOG, have tried to capture the memories of our years spent at Captain Shreve and bind them in this Yearbook. We have learned a great deal about the Gator traditions and its learning and instruction. Most of all we have learned the people that make up Gatorland are beyond words. Our intention was to capture a brief essence of the memories, while in the sacred halls of Captain Shreve. We would like to express our deepest appreciation to our sponsor, Mrs. Dorothy Flanagan, who has helped us throughout our trials and tribulations. Without her friendship and guidance the production of this special 20th edition of the Captain Shreve LOG would not have been possible.

GRADS!

WE'RE PROUD OF YOU!

You have worked hard for this day but now that you have made it, it's worth it. Now it's time to start looking ahead. It's time to start planning for the future. There are so many opportunities waiting for you. You can go to college, get a job, or even start your own business. But no matter what you choose to do, we're here to support you every step of the way. We at The Times believe that knowledge is power. Your education has helped you to see the world in a different light. Now it's time to keep your eyes open to what's happening in the world around you. Shreveport and the world.

LOOKING FOR A WAY TO FINANCE YOUR EDUCATION?

WHY NOT LOOK INTO THE LOUISIANA ARMY NATIONAL GUARD'

"You may qualify for up to \$32,000 for your continued education."

PAID COLLEGE TUITION: In the Louisiana Army National Guard you can receive PAID TUITION at any state funded college, university or vocational technical school for **5 YEARS** or a Bachelor's degree, whichever comes first.

NEW GI BILL: The new Educational Assistance Program provides up to \$140.00 a month for 36 college months, paid directly to you.

COLLEGE LOAN REPAYMENTS: If you attend college or a vocational technical school and qualify to receive a Guaranteed Student Loan to help defray the cost of college, the Louisiana Army National Guard will repay up to \$9,200 on a \$10,000 loan (if you qualify upon enlistment and continue to meet the requirements).

PART-TIME JOB: In the Louisiana Army National Guard you train one weekend a month and two weeks each summer after basic and Advanced Training. The pay is great and so are the benefits.

CASH BONUS: Many jobs you may choose to train in offer cash bonuses of up to \$2,000 in addition to your pay and other benefits.

**YOU MAY QUALIFY FOR ONE OR ALL OF THE EDUCATIONAL
AND FINANCIAL BENEFITS AVAILABLE THROUGH
THE LOUISIANA ARMY NATIONAL GUARD,

SOUL SURVIVOR

B eing a teenager isn't all fun and games. You're constantly put to the test, by friends, by parents, by teachers. Come on, prove yourself—seems to be what everyone's shouting at you in one way or another. Go to church, believe in God, do your homework, be in by twelve o'clock—life is one series of commands after another. When you've had it up to here, trust in one thing: God loves you and has a wonderful plan for your life. Lift your head high, let everyone know what it means to be a survivor—a survivor from the heart and from the soul.

COLOPHONE

The 1987 LOG, a student publication, was produced under the direction of Advisor Dorothy Flanagan. The book was printed by Taylor Publishing company, 1550 Mockingbird Lane, Dallas, Texas. The theme "An Annual Celebration" was developed by editor Keven Barber and assistant editor Todd FitzGerald. The 420 page book was printed on 80-lb., double coated, enamel paper, and was Smyth sewn. It was sold for a price of \$18-\$25. The type used in the 1050 copies was a melior standard. The photography was done by Cowen Studio with assistance by Jon David Hague. The cover was embossed on green 332 Lexitone material and grained with a hard tooled design. The cover was then topped with gold metalique. All yearbook copy was done by staff members using IBM PC computers in conjunction with Taylor Typevision and Indexvision programs. The 7½ X 10 yearbook was delivered to the students during the Spring Semester.

IN MEMORY OF . . .

Mr. Jasper Jordan
Social Studies Teacher
June 18, 1986

Miss Girtha Thomley
Nutritionist
November 10, 1986

Remember when I
am gone away.
Gone far away
into the silent
land; . . .
For if the darkness
and corruption
leave,
A vestige of the
thoughts that once
I had,
Better by far you
should forget and
smile
than you should
remember and be
sad.

Christina G. Rossetti
